*(Incorporated in the Cayman Islands with limited liability)*

*(Stock code: 03718.HK)*

(April 27, 2020—Hong Kong) Beijing Enterprises Urban Resources Group Limited (hereinafter referred to as the "Company" or "Group"; stock code: 03718.HK) is pleased to announce that Beijing Enterprises Urban Environmental Services Group Limited, a wholly-owned subsidiary of the Company, has successfully won the bid on April 26, 2020 for the 2020 Zhangdian New and Old City Bare-Root Replanting Services in Zhangdian District, Zibo City, Shandong Province (the "Tender").

The Tender has been incorporated and forms part of the New and Old City Landscaping and Maintenance Project as disclosed in the Company's announcement dated 12 February 2020. The project under the Tender will cover an area of approximately 700,000 square metres and the New and Old City Landscaping and Maintenance Project covers a total area of approximately 8.90 million square metres. The total contract value is expected to exceed RMB 48.30 million, and the estimated annual revenue is RMB 24.15 million. This project is expected to bring positive impact on the Company's business development and future annual operating performance.

Zhangdian District, Zibo City is the transportation and communication hub central region of Shandong Province and one of the important node cities in the Jinan Metropolitan Area. Our ability to offer one-stop solution in treating municipal solid waste via our environmental hygiene services,

provides us with more opportunities to participate in new projects and expand our market share, which benefit us in winning the bid successfully. By attracting, retaining, and motivating key management personnel and top-qualified personnel, we accumulate In-depth capabilities and management experience in environmental hygiene services. In the future, the Group will put the

conviction of green and sustainable development by China's government that "lucid waters and lush mountains are invaluable assets" in practice, build a new industrial layout, strive to become a "integrated waste management solution provider and leader", leading the industry to develop in a standardized, orderly and strong direction.

*The Company wishes to state that the Group obtained the result of the Tender from the relevant platform of the local authority in the PRC and has yet to enter into any formal contract in relation to the Tender. The actual contract value and total revenue may be different to this press release as a result of any unexpected changes in the market environment and other conditions. No forecast or prediction of the profits of the Group has been made with regard to the Tender in this press release.*

*The Group is principally engaged in the provision of environmental hygiene services and hazardous waste treatment services.*
