

Beijing Enterprises Urban Resources Group Limited
北控城市資源集團有限公司

(Incorporated in the Cayman Islands with limited liability)

(Stock code: 03718.HK)

(September 9, 2020—Hong Kong) Beijing Enterprises Urban Resources Group Limited (hereinafter referred to as the "Company" or "Group"; stock code: 03718.HK) is pleased to announce that Beijing Enterprises Urban Environmental Services Group Limited, a wholly-owned subsidiary of the Company, has successfully won the bid on September 2, the Xinhui Main City District Environmental Hygiene Services Integration and Marketization (the 2nd time) Project in Jiangmen City, Guangdong Province (the "Tender"). A letter of notification of successful tender was received on September 9, 2020.

The service scope of the project includes but not limited to road and back streets cleaning in urban area, garbage collection and arrange classification and transportation to the relevant treatment plant or domestic waste landfill, maintenance and excrement pumping of public toilets and maintenance of the greening facilities within the designated area of Xinhui Main City District in Jiangmen City, Guangdong Province ,the PRC. The total contract value is expected to exceed RMB 1,565.23 million, and the estimated annual revenue is RMB 176.06 million.

Our ability to offer one-stop solution in treating municipal solid waste via our environmental hygiene services, provides us with more opportunities to participate in new projects and expand our market share, which benefit us in winning the bid successfully. By attracting, retaining, and motivating key management personnel and top-qualified personnel, we accumulate In-depth capabilities and management experience in environmental hygiene services. In the future, the Group will put the conviction of green and sustainable development by China's government that "lucid waters and lush mountains are invaluable assets" in practice, build a new industrial layout, strive to become a

"integrated waste management solution provider and leader", leading the industry to develop in a standardized, orderly and strong direction.

The Company wishes to state that the Group obtained the result of the Tender from the relevant platform of the local authority in the PRC and has yet to enter into any formal contract in relation to the Tender. The actual contract value and total revenue may be different to this press release as a result of any unexpected changes in the market environment and other conditions. No forecast or prediction of the profits of the Group has been made with regard to the Tender in this press release.
