# **CHAIRMAN'S STATEMENT**

Dear Shareholders:

During 2022, economic development of the PRC underwent challenges brought by multiple factors that exceeded expectations domestically and internationally, which significantly affected upstream and downstream industries and resulted in intensifying market competitions, thereby bringing various challenges to the development of various businesses of the Group. Driven by the implementation of a series of policies to stabilize the economy by the government, Beijing Enterprises Urban Resources Group Limited (the "Company") and its subsidiaries (collectively referred to as the "Group") is making one-heart efforts to overcome difficulties and pursue changes while holding fast to its main businesses while formulating the Group's development strategies and strengthening the Group's operation and management, thus the steady development of enterprise is maintained.

#### **BUSINESS REVIEW**

The Group recorded a revenue of approximately HK\$4,946 million for the year ended 31 December 2022 (the "Reporting Period"), representing a year-on-year increase of approximately 11.1%. Profit for the year attributable to shareholders of the Company decreased by approximately 44.7% year-on-year to approximately HK\$278 million. The Directors of the Company passed a resolution to propose the distribution of a final cash dividend of HK1 cent per share (HK2 cents per share in total for the year) to shareholders to reciprocate their long-standing trust and support to the Group.

The environmental hygiene service industry is gradually transitioning from the fragmentation and low-end in the early stage to integration, mechanization, specialization, refinement, intelligence, and a new round of marketization represented by "new energy equipment renewal", "refined cleaning" and "big city butler". The environmental hygiene service industry is changing its business philosophy from "original extensive scale oriented operation" to "improve quality and increase efficiency". With the continuous improvement of industry standards, the competitive pressure in the environmental protection market is gradually increasing, and the investment in major environmental hygiene service projects is also continuously increasing, resulting in the increase in operating costs. During the Reporting Period, the Group has established a long-term mechanism for improving the quality of operations, with the quality of services as the foundation; standardizing customer management and establishing a customer relationship management system; we strengthened our team building and continued to expand our business. As at 31 December 2022, we have 152 environmental protection projects with a total area of approximately 241.8 million square meters for cleaning. The Group's "big city butler" projects in Shenzhen and Chongqing have been successfully operated, accumulated a lot of experience and become the vanguard of the "big city butler" project. The Group was selected into the "Number one for the Top 100 brands in the cleaning industry of China" and "Top 50 Environmental Enterprises in China" lists, which further strengthened the brand influence.

The hazardous waste treatment industry has experienced rapid development for several years, and the market competition intensified. During the Reporting Period, the waste amount of upstream industrial corporates decreased, the price of non-hazardous disposal continued to decline, and the price of recycled raw materials affected by market sentiment increased, which brought severe challenges to the operation of hazardous waste projects. During the Reporting Period, the Group focused on implementing precision management of projects, reducing costs and increasing efficiency, improving operating methods and processes, making continuous efforts and effectively improving the operation quality. The Group's hazardous waste projects closely followed the national regulatory standards and market changes, actively adjusted, and made progress while maintaining stability, thus contributing to the virtuous circle development of hazardous waste business.

## **CHAIRMAN'S STATEMENT**

#### **COMPANY CONTROL**

During the Reporting Period, relevant authorities of the state issued a number of policies and standards in the field of environmental hygiene services, further improving the level of environmental infrastructure construction, improving the quality of urban and rural living environment and promoting digital governance. The Group has grasped the policy opportunities of business development, reshaped the corporate culture, clarified the Group's mission of "making living environment better" and its core value of "Being committed, Creating value, and Sharing with other,", and is committed to realizing its vision of "becoming a trusted and industry-leading comprehensive service provider for digital and intelligent urban operations"; The Company has determined its development strategic objectives, implemented the digital transformation approach and made clear its business philosophy with service quality, customer satisfaction and team management as its core, striving for development through continuous improvement.

In the face of the continuous changing market situation, the Group actively implemented the organizational reform, and further stimulated the vitality of the organization by implementing the regional management reform, improving the investment organization construction, optimizing the decentralized management system and supporting the development of front-line business, further stimulated the vitality of the organization. The Group achieved financial management specialization by building a value creation support system that supports the efficient integration and allocation of resources for implementation of strategies and the deep integration of industry and finance; Through the preparation of procurement and supply management systems and standards, the launching of the supply chain management system to promote the standardization of procurement and supply control; Through the promotion of the construction and implementation of the smart sanitation systems and the "unified management through one network" city operation management platform system, the Company has continuously strengthened its digitalized management and control capabilities.

Facing the changing trend of capacity expansion and quality improvement, the Group adheres to innovation-driven, accelerate technology development and application, cooperated with business demand, explored the depth market occupation and expanded the scope of business, strengthens corporate competitiveness, sets up special research groups, and completes the "Smart Environmental sanitation system application summary" and many other technical research reports and conceptual schemes, actively explore the construction of intelligent management platform, adopt the Internet of Things model of "people, vehicles, objects, and things", established a digital and intelligent management system, and achieved refined, scientific and standardized operation and management of city environmental sanitation.

The Group continues to deepen reforms, consolidate the Company's management system and structure, enhance environmental and safety risk management capabilities and refine measurement indicators to further promote scientific project reviews, in order to prevent risks effectively and build a strong internal control management and risk management system of the Group.

#### SUSTAINABLE DEVELOPMENT

The Group has always adhered to the concept of sustainable development, continuously improved the corporate governance system with environmental, social and governance as the core, implemented the national "two-carbon" strategy, actively responded to climate change, improved the emergency system for flood prevention and snow removal, determined to prevent and resolved the risks of major natural disasters, and strengthened the supervision of key projects, key risk management and control to reduce the safety and environmental risks. During the Reporting Period, the Group adhered to the concept of "Green Winter Olympics" and built a smart waste cleaning and cleaning management system in line with the standards to fully ensure the smooth convening of the Winter Olympics and the Winter Paralympic Games. In the environmental hygiene business, the Group innovated and optimized the energy mix, vigorously promoted the use of new energy vehicles, promoted waste sorting and contributed to the beautiful ecology; when it comes to the hazardous waste business, water, gas, sound and slag pollution emissions are strictly controlled, energy is saved and consumption is reduced through technological transformation, equipment improvement, process optimization and other ways, and disposal efficiency and quality are improved.

# **CHAIRMAN'S STATEMENT**

Upholding the purpose of "people-oriented", the Group systematically optimized the recruitment system, conducted a comprehensive talent inventory, optimized and reshaped the position system, and promoted the professional development of talents. At the same time, further improving the personnel training system, to carry out the "Spark Plan" to strengthen young talents, to carry out the "Hierarchical Talent Pool" program to strengthen the reserve cadre training. The Group continues to care for frontline staff, safeguard staff health and safety, provide development space and growth platform for staff at all levels, and lay a solid human resources foundation for the growth of the Group's business.

#### OUTLOOK

Looking forward to 2023, the state will implement the new development philosophy, building a new development paradigm, with further implementation of policies in favor of stabilizing economic development by the state for vigorously promoting high quality development and pursuing progress while ensuring stability for the economy of China, the economic operation environment will develop towards positive direction generally and the demand for the related businesses is expected to be further released. In addition, under the target mission of "Promoting Green Transformation for Development Methods", the Chinese local governments will continue to promote construction of "waste-free cities", to perform better in ecological protection, to respond to climate change and coordinately encourage carbon and pollution reduction, expanding green area, endeavoring to keep our skies blue, waters clear and lands clean. By closely following the development trend of policies and seizing market opportunities, the Group will strengthen its organizational vitality and actively build up its business capacity with an aim to fulfill the development strategic goals. By always focusing on "service and quality", the Group will optimize its management of customer service to maximize its operation strength.

The Group will continue to meet new challenges, devote itself to promoting the modernization of environmental governance through digital, intelligent and diversified professional services, continuously improve its strategic management capability and safety and environmental management system, strengthen team building and technology research and development, deepen organizational reform and supporting construction, actively expand the market scale, continuously improve the operation quality, promote scientific and efficient operation and promote high-quality development of the enterprise.

Success will be achieved via hard work and hard work promises a future. The Group will always be guided by the principle of "lucid waters and lush mountains are invaluable assets" and motivated by the mission of "making living environment better". Under the guidance of digital intellectualization strategies, the Group will continue to forge ahead and promote stable and efficient development of the Group, so as to devote persistently to building a beautiful, livable, smart and resilient city, as well as contributing to the improvement of the quality of ecological environment, carbon peak and carbon neutrality and sustainable development.

Finally, I would like to express my sincerest gratitude and heartfelt best wishes to the shareholders, customers, employees and partners who always give strong support to the Group.

**Zhou Min** Chairman of the Board

29 March 2023

#### **FINANCIAL HIGHLIGHTS**

The analysis of the Group's financial results, by business segments, for the years ended 31 December 2022 and 2021 is set out in details below:

		Revenue		Gross profit margin			Profit attributable to shareholders of the Company		
	2022 HK\$'000	2021 HK\$'000	Change %	<b>2022</b> %	2021 %	Change %	2022 HK\$'000	2021 HK\$'000	Change %

#### **IMPACTS OF COVID-19**

In 2022, the Omicron variant of COVID-19 sparked a pandemic in China and all over the world, resulting in a complicated and challenging business environment. The sharp increase in the number of infected cases disturbed the daily life of the general public. Faced with the severe situation of the pandemic, the Chinese government responded decisively by actively adopting pandemic prevention policies, such as rolling out static management across certain provinces and cities in China in view of the pandemic and imposing travel and work restrictions, making an all-out effort to prevent the variant from spreading. Affected by the pandemic, the upstream enterprises of the Group's hazardous waste treatment service projects could maintain limited operations, and shrinking in the operation scale of the upstream enterprises led to a decrease in hazardous waste treatment volume in total by the Group. The Group's gross profit margin in the hazardous waste treatment services decreased from approximately 32% for the 2021 financial year to approximately 18% for the 2022 financial year. Since November 2022, the Chinese government has been optimizing and adjusting pandemic prevention and control policies in light of changing circumstances, the Chinese economy has therefore quickly recovered from the COVID-19 pandemic, the actual treatment volume of the Group's hazard-free waste disposal projects is steadily increasing, and the environmental hygiene services market will also rapidly expand.

6

#### **BUSINESS REVIEW**

The Group is principally engaged in environmental hygiene services, hazardous waste treatment business and waste electrical and electronic equipment treatment business.

#### **Environmental hygiene services**

Environmental hygiene services refer to services in relation to environmental hygiene maintenance and management, such as road cleaning, garbage collection and transportation, garbage transportation station management, public toilet management and other services. Generally, the Group utilises existing public facilities, including garbage transportation stations and public toilets, to provide comprehensive environmental hygiene services. The Group's environmental hygiene services primarily cover comprehensive road cleaning, garbage sorting, garbage collection and transportation, garbage transportation station management, public toilet management, manure collection and transportation, greenway maintenance, river cleaning services and property management services.

As at 31 December 2022, the Group had 152 environmental hygiene services projects, the movements of which, during the year ended 31 December 2022, were as follow:

	Number of projects
As at 1 January 2022	128
Newly added	35
Terminated to operate	(11)
As at 31 December 2022	152

The Group operates its environment hygiene services projects under the following models:

Operating Models	Number of projects
Operation & Maintenance ("O&M")	147
Public-Private-Partnership ("PPP")	
Build-Transfer-Operate	1
• Transfer-Operate-Transfer	4
Total	152

Under the O&M model, the Group acts as a third-party professional municipal operator for operation and maintenance for its customers, i.e., the local government, which usually outsource the municipal projects whose construction has been completed or nearly completed to the Group. Under the PPP model, the Group enters into operating concession arrangements with the local government which regulate the scope and price of services that the Group provides by utilising the assets, and also set out the treatment of any significant residual interests in the assets at the end of the term of the arrangements.

During the year ended 31 December 2022, the Group successfully won 35 new environmental hygiene services projects through public tenders with total contract value and estimated annual revenue amounting to approximately HK\$8.1 billion and HK\$1,219.6 million, respectively. During the year ended 31 December 2022, the Group had recognised a total amount of approximately HK\$456.7 million as revenue in respect of these 35 projects.

As at 31 December 2022, the Group had a total contracted area of approximately 241.8 million sq.m. (31 December 2021: 226.4 million sq.m.) with its environmental hygiene services projects, which created an average annual revenue of approximately HK\$13.3 per sq.m. (2021: HK\$11.2 per sq.m.).

#### Hazardous waste treatment business

Hazardous waste treatment business comprises the provision of hazard-free waste disposal services and recycling and reuse of materials from industrial waste services.

Disposal is mainly used for waste on which no other proper treatment methods are available. Hazard-free waste disposal aims to eliminate or minimize negative effect that hazardous waste may have on the environment. Landfill and incineration are two of the most common treatment methods for solid hazardous waste. For liquid hazardous waste, common treatment methods include flocculation and purification. Before being disposed of, hazardous waste needs to undergo certain pretreatment methods based on its nature. Common pretreatment methods include physical-chemical and solidification or stabilization.

Under the hazard-free waste disposal services, the Group processes and safely disposes of hazardous waste for industrial companies and medical institutions and charge them waste treatment fees. The Group's business mainly cover collection, transportation, storage and disposal of wastes such as medical waste and industrial solid waste.

The Group's recycling and reuse of materials from industrial waste services mainly dedicated to provide waste methanol and mixed alcohol recycling service. By recycling waste methanol and mixed alcohol acquired by the Group, through its advanced recycling and reuse technology, the Group is able to produce recycled alcohol related products such as methanol, ethanol, propanol and butanol and generates revenue from sales of these products.

As at 31 December 2022, the Group had 9 hazardous waste treatment projects in operation. As of 31 December 2022, treatment facilities of our projects that engaged in hazard-free waste disposal had a total designed treatment capacity of 351,016 tons per annum (2021: 351,016 tons) and treatment facilities of projects that engaged in recycling and reuse had a total designed treatment capacity of 270,000 tons per annum (2021: 250,000 tons). As of 31 December 2022, the Group also had 3 projects under construction.

#### **Other business**

8

Other business represents waste electrical and electronic equipment treatment business. As of 31 December 2022, the Group had two revenue-generating waste electrical and electronic equipment treatment projects.

The Group procures waste electrical and electronic appliances mainly from local waste electrical and electronic appliances recycling stations. Types of equipment we dismantle include computers, refrigerators, television sets, washing machines and air conditioners.

For the year ended 31 December 2022, revenue from our waste electrical and electronic equipment treatment business amounted to approximately HK\$309.2 million (2021: HK\$337.6 million), representing approximately 6.3% (2021: 7.6%) of our total revenue.

#### FINANCIAL PERFORMANCE

#### **Revenue and gross profit margin**

The Group's total revenue increased by approximately 11.1% from approximately HK\$4,450.2 million for the year ended 31 December 2021 to approximately HK\$4,945.8 million for the year ended 31 December 2022, primarily due to increase in revenue from the Group's environmental hygiene services.

#### **Environmental hygiene services**

During the year ended 31 December 2022, the Group recorded a total revenue of approximately HK\$4,024.3 million (year ended 31 December 2021: HK\$3,402.1 million) from its environmental hygiene services projects. As at 31 December 2022, the Group had a total of 152 environmental hygiene services projects (31 December 2021: 128).

The gross profit margin of the Group's environmental hygiene services projects decreased from 25.9% for the year ended 31 December 2021 to 21.8% for the year ended 31 December 2022, partly because there was a value-added-tax relief ("VAT Relief") granted by the local government in the PRC during the year ended 31 December 2021. There were no such kind of relief granted by the local government in the PRC during the year ended 31 December 2022.

The following table sets forth the financial impacts of the VAT Relief on the revenue and gross profit margin of the Group's environmental hygiene services projects for the years ended 31 December 2022 and 2021:

	For the year 31 Decem	
Environmental hygiene services	2022 HK\$'000	2021 HK\$'000
Revenue	4,024,333	3,402,146
Less: VAT Relief	-	(38,939)
Revenue excluding VAT Relief		3,363,207
Cost of sales	3,146,292	2,520,090
Gross profit excluding VAT Relief	878,041	843,117
Gross profit margin excluding VAT Relief	21.8%	25.1%

The gross profit margin (excluding the effect of the VAT Relief) of the Group's environmental hygiene services projects decreased to approximately 21.8% for the year ended 31 December 2022 from 25.1% during the year ended 31 December 2021, mainly due to the increase in labour costs and prices of gasoline and diesel fuel.

During the year ended 31 December 2022, the minimum wages of certain cities or provinces (e.g. Beijing, Shanxi Province, Shandong Province and Guangdong Province, etc) in which the Group operates its environmental hygiene services projects were adjusted upward pursuant to the notices of minimum wages issued by the local governments in the PRC. As labour costs of the Group's environmental hygiene services workers account for a significant part of the Group's direct costs, the gross profit margin of the Group's environmental hygiene services projects decreased accordingly. In addition, the market price of gasoline and diesel fuel have been on an increasing trend from the second half of 2021 onwards. During year ended 31 December 2022, the average prices of gasoline and diesel fuel had increased significantly by approximately 22% and 25%, respectively, when compared with the average prices for the year ended 31 December 2021. As gasoline and diesel fuel account for a major part of the direct costs of the Group's environmental hygiene services projects, the gross profit margin of the Group's environmental hygiene services projects further decreased.

#### Hazardous waste treatment services

During the year ended 31 December 2022, the Group recorded a total revenue of HK\$612.3 million (year ended 31 December 2021: HK\$710.4 million) from its hazardous waste treatment services projects. Due to the impacts of the pandemic in the PRC during the year ended 31 December 2022, the upstream enterprises of the Group's hazardous waste treatment service projects could only maintain limited operations. The reduction in operating scale of upstream enterprises caused a decrease in overall hazardous waste volume treated by the Group. As such, the Group's revenue from hazardous waste treatment services decreased.

The Group's gross profit margin of its hazardous waste treatment services projects decreased from 31.9% for the year ended 31 December 2021 to 18.4% for the year ended 31 December 2022.

The following table sets forth an analysis of the sales price of the Group's hazardous waste treatment service projects:

	Hazard-free waste disposal projects		Recyclin	Recycling and reuse projects			Total		
	2022	2021	Change	2022	2021	Change	2022	2021	Change
Revenue (HK\$'000)	358,190	444,171	(19.4)%	254,114	266,247	(4.6)%	612,304	710,418	(13.8)%
Actual treatment/sales									
volume (tons)	186,269	204,584	(9.0)%	48,212	60,089	(19.8)%	234,481	264,673	(11.4)%
Average sales price (HK\$/ton)	1,923	2,171	(11.4)%	5,271	4,431	19.0%	2,611	2,684	(2.7)%

As at 31 December 2022, the Group has 6 hazard-free waste disposal projects in operation. The plants were mainly located in Shandong Province, Hubei Province and Sichuan Province. The actual treatment volume of the Group's hazard-free waste disposal projects decreased from 204,584 tons for the year ended 31 December 2021 to 186,269 tons for the year ended 31 December 2022. The decrease was mainly attributable to the decrease in actual treatment volume provided by the Group's Industrial Solid Waste Disposal Center Project in Shandong Province\* (山東省工業固體廢物處置中心項目) and Yaojiagang Industrial Waste Treatment and Recycling Project in Yichang City\* (宜昌市姚家港工業廢物處理及資源化項目) by 8,492 tons and 9,330 tons, respectively.

More rivals entered into the market which led to the drop in average sale price of hazard-free waste disposal services from HK\$2,171 per ton for the year ended 31 December 2021 to HK\$1,923 per ton for the year ended 31 December 2022. Meanwhile, there was an increase in operating cost during the year, which was mainly due to a surge in purchase prices of direct materials and consumables, such as sodium hydroxide and other consumables. As such, the Group's gross profit margin in the hazard-free waste disposal services decreased from 37.5% for the year ended 31 December 2021 to 18.7% for the year ended 31 December 2022.

As at 31 December 2022, the Group had 3 recycling and reuse projects in operation. The plants were mainly located in Ningxia Province and Hubei Province. The average sales price of the Group's recycling and reuse projects increased from HK\$4,431 per ton for the year ended 31 December 2021 to HK\$5,271 per ton for the year ended 31 December 2022 due to the continuous increase in the market price of methanol, ethanol and butanol during the year ended 31 December 2022. However, due to the significant increase in the procurement costs of waste methanol and mixed alcohol during the year ended 31 December 2022, the gross profit margin of the Group's recycling and reuse projects decreased from 22.6% for the year ended 31 December 2021 to 18.0% for the year ended 31 December 2022.

\* For identification purpose only

#### Administrative expenses

Administrative expenses for the year ended 31 December 2022 increased to HK\$474.8 million, as compared to the corresponding period of last year of HK\$413.5 million. The increase was mainly due to increase in salaries, wages and welfare and office expenses in the amount of HK\$37.6 million and HK\$12.4 million, respectively, as a result of continuous business expansion.

#### Other expenses, net

Other expenses, net for the year ended 31 December 2022 increased to HK\$58.0 million, as compared to the corresponding period of last year of HK\$16.4 million. The increase was mainly due to increase in impairment losses of trade receivables and write-down of inventories to net realisable value in the amount of HK\$31.1 million and HK\$5.7 million, respectively.

#### **Finance costs**

Finance costs mainly represented interests on bank and other borrowings of HK\$106.5 million (year ended 31 December 2021: HK\$83.3 million). The increase in finance costs was mainly due to (i) the increase in interest-bearing bank and other borrowings and (ii) the increase in the market interest rates charged during the year ended 31 December 2022.

#### **Income tax expense**

The income tax expense decreased from HK\$136.9 million for the year ended 31 December 2021 to HK\$111.6 million for the year ended 31 December 2022, mainly because of the decrease in the operating taxable profits of the Group.

#### Property, plant and equipment

Property, plant and equipment consist of buildings, plant and machinery, furniture, fixtures and equipment, motor vehicles, construction in progress. The increase in property, plant and equipment for the year ended 31 December 2022 was mainly due to the purchase of motor vehicles mainly for new environmental hygiene services projects.

#### **Right-of-use-assets**

Right-of-use assets represented right to use assets over the life of leases, which consist of buildings, motor vehicles and leasehold lands. Decrease in right-of-use assets was mainly due to depreciation provided during the year ended 31 December 2022.

#### Goodwill

Goodwill mainly represented the goodwill arose from the acquisition of subsidiaries in 2018 or before and the change was mainly due to exchange rate differences on foreign exchange translation.

#### **Operating concessions**

Operating concessions represented arrangements involving the Group as a provider of environmental hygiene services on behalf of the relevant government agencies for a period of 15 to 28 years. Decrease in operating concessions was mainly due to amortisation charged to the consolidated statement of profit of loss.

#### **Receivables under service concession arrangements**

The Group's receivables under service concession arrangements are recognised from the environmental hygiene services operated under PPP projects with guaranteed environmental hygiene services revenue.

#### Trade and bills receivables

Increase in trade and bills receivables was mainly due to continuous business expansion in environmental hygiene services.

The following table sets forth the turnover days of the Group's trade receivables:

	As of 31 December		
	2022	2021	
Average trade and bills receivable turnover days (days)	142	111	

#### Environmental decommissioning fee receivable

Environmental decommissioning fee receivable represented government subsidies receivable from the PRC government for the waste electrical and electronic equipment treatment services.

#### Prepayments, deposit and other receivables

Decrease in prepayments, deposit and other receivables was mainly due to decrease in the prepayments for acquisition of property, plant and equipment in HK\$3.6 million.

#### **Trade and bills payables**

Trade and bills payables represented payables due to third parties for the procurement of raw materials used for Group's hazardous waste treatment business and fuel used by Group's mechanized vehicles and other consumables used for environmental hygiene services. The increase was mainly due to the increase in procurement as a result of the continuous business expansion in the Group's environmental hygiene services.

#### Other payables and accruals

Other payables and accruals mainly represented payable for acquisition of property, plant and equipment, accruals for the Group's expenses and lease liabilities. The increase was mainly due to increase in accruals of expenses.

#### Interest-bearing bank and other borrowings

Increase in bank and other borrowings was mainly due to drawdown of bank borrowings during the year ended 31 December 2022 for the purposes of development in the Group's environmental hygiene services and hazardous waste treatment services.

#### Liquidity and financial resources

The Group adopts conservative treasury policies and controls tightly over its cash and risk management. The Group's cash and cash equivalents are mainly denominated in Hong Kong dollars ("HK\$") and Renminbi ("RMB"). Surplus cash is generally placed in short-term deposits denominated in HK\$ and RMB.

As at 31 December 2022, the Group's cash and cash equivalents amounted to approximately HK\$1,601.0 million (31 December 2021: approximately HK\$1,688.9 million).

As at 31 December 2022, the Group's bank and other borrowings amounted to HK\$2,807.9 million (31 December 2021: HK\$2,315.8 million).

The net gearing ratio (defined as bank and other borrowings, net of cash and cash equivalents, divided by the total equity) was 29.7% as at 31 December 2022 (31 December 2021: 14.9%). The increase in the net gearing ratio as at 31 December 2022 was mainly due to the drawdown of bank borrowings for continuous business expansion.

#### **Capital expenditure**

During the year ended 31 December 2022, the Group's total capital expenditures were HK\$864.2 million (2021: HK\$807.4 million), out of which HK\$793.3 million, HK\$4.5 million, HK\$49.8 million and HK\$16.6 million (2021: HK\$755.4 million, HK\$2.0 million, HK\$48.3 million and HK\$1.7 million) were paid for the additions of property, plant and equipment, other intangible assets, right-of-use assets and operating concessions, respectively.

#### **FUTURE OUTLOOK**

Looking forward to 2023, with further implementation of policies in favor of stabilizing economic development by the Chinese government for vigorously promoting high quality development and pursuing progress while ensuring stability for the economy of China, the market and business environment, will develop towards positive direction generally and the demand for the related businesses of the Group is expected to be further released. In addition, under the target mission of "Promoting Green Transformation for Development Methods", the Chinese local governments will continue to promote construction of "waste-free cities", to perform better in ecological protection, to respond to climate change and coordinately encourage carbon and pollution reduction, expanding green area, endeavoring to keep our skies blue, waters clear and lands clean. It is expected that the actual volume treated by the Group's hazard-free waste disposal projects will gradually increase along with a rapid expansion of the environmental hygiene services market.

By closely following the development trend of policies and seizing market opportunities, the Group will strengthen its organizational vitality and actively build up its business capacity with an aim to fulfill the development strategic goals. By always focusing on "service quality", the Group will optimize its management of customer service to maximize its operation strength. The Board surely believes that the operating level of the Group will be further enhanced and developed rapidly since 2023 onwards.

#### **CHARGES ON THE GROUP'S ASSETS**

The secured bank and other borrowings of the Group as at 31 December 2022 are secured by:

- (i) pledge over the Group's equity interest in subsidiaries and a non-controlling shareholder's equity interest in a subsidiary as at 31 December 2022 and 2021; and
- (ii) pledges over certain of the Group's property, plant and equipment, right-of-use assets and operating concession rights as at 31 December 2022 and 2021.

The bill payables of the Group as at 31 December 2022 and 2021 are secured by pledge over certain of the Group's bank deposits.

Save as disclosed above, as at 31 December 2022, the Group did not have any charges on the Group's assets.

#### **CONTINGENT LIABILITIES**

As at the end of the reporting period, the Group did not have any significant contingent liabilities (2021: Nil).

#### FOREIGN EXCHANGE EXPOSURE

Majority of the subsidiaries of the Company operate in the Mainland China with most of the transactions denominated and settled in RMB. Fluctuations of exchange rates would impact the Group's net asset value due to currency translation in the preparation of the Group's consolidated accounts. If RMB appreciates/depreciates against HK\$, the Group would record a(n) increase/decrease in the Group's net asset value. During the year ended 31 December 2022, the Group has not used derivative financial instruments to hedge against its foreign currency risk.

#### **EMPLOYEES AND REMUNERATION POLICIES**

As at 31 December 2022, the Group employed 51,367 employees (31 December 2021: 42,175 employees) with total staff cost of approximately HK\$2,490.9 million incurred for the year ended 31 December 2022 (year ended 31 December 2021: approximately HK\$1,821.8 million). The Group's remuneration packages are generally structured with reference to market terms and individual merits. Salaries are normally reviewed on an annual basis based on performance appraisals and other relevant factors.

#### SIGNIFICANT INVESTMENTS, MATERIAL ACQUISITION AND DISPOSAL OF SUBSIDIARIES

There were no significant investments, material acquisition and disposal of subsidiaries by the Group for the year ended 31 December 2022.

#### **IMPORTANT EVENT AFFECTING THE GROUP AFTER THE REPORTING PERIOD**

There was no important event affecting the Group since 31 December 2022 and up to the date of this annual report.

#### DIVIDEND

The Board proposed to pay a final dividend of HK1 cent per ordinary share (the "Proposed Final Dividend") for the year ended 31 December 2022 (2021: HK3 cents). The Proposed Final Dividend is subject to shareholders' approval at the annual general meeting of the Company to be held on June 2023, and is payable to shareholders of the Company whose names appear on the register of members of the Company on Thursday, 15 June 2023.

#### **ENVIRONMENTAL POLICIES AND PERFORMANCE**

The Group is committed to supporting the environmental sustainability. The Group is committed to maintaining sustainable working practises and pays close attention to ensure all resources are efficiently utilised. The environmental policies and performance of the Company for the year ended 31 December 2022 containing the information required under Appendix 27 to the Listing Rules are set out in the Environmental, Social and Governance Report which will be published on the Stock Exchange's website and the Company's website at the same time as the publication of the annual report of the Company.

#### **COMPLIANCE WITH REGULATIONS**

The Group is not aware of any instances of material breach of or non-compliance with the applicable laws and regulations such as the Hong Kong Companies Ordinance (Cap. 622), Listing Rules, and other applicable local laws and regulations in various jurisdictions during the year ended 31 December 2022.

#### **RELATIONSHIP WITH STAKEHOLDERS**

The Group recognises that employees, customers and business partners are keys to its sustainable development. The Group is committed to establishing a close and caring relationship with its employees, providing quality services to its customers and enhancing cooperation with its business partners. The Company provides a fair and safe workplace, promotes diversity to its staff, provides competitive remuneration and benefits and career development opportunities based on their merits and performance. The Group also puts ongoing efforts to provide adequate trainings and development resources to the employees so that they can keep abreast of the latest development of the market and the industry and, at the same time, improve their performance and self-fulfillment in their positions. The Group understands that it is important to maintain good relationship with customers and provide the services in a way that satisfy needs and requirements of the customers. The Group enhances the relationship by continuous interaction with customers to gain insight on the changing market demand for the services so that the Group can respond proactively. The Group has also established procedures in place for handling customers' complaints to ensure customers' complaints are dealt with in a prompt and timely manner. The Group is also dedicated to develop good relationship with suppliers and contractors as long-term business partners to ensure stability of the Group's business.

The Board is pleased to present this Corporate Governance Report in the Group's annual report for the year ended 31 December 2022.

The Company's corporate governance policies and practices are applied and implemented in the manners as stated in the below Corporate Governance Report.

#### **COMPLIANCE WITH THE CORPORATE GOVERNANCE CODE**

The Company focuses on maintaining high standards of corporate governance in order to achieve sustainable development and enhance corporate performance. The Board and the management of the Group strive for adhering to the principles of corporate governance and have adopted sound corporate governance practices to meet the legal and commercial standards, focusing on areas such as internal control, risk management, fair disclosure and accountability to all shareholders to ensure the transparency and accountability of all operations of the Group. The Company believes that effective corporate governance is an essential factor to enhance shareholders value and safeguard shareholders' interests. The Board will continue to review and improve the corporate governance practices of the Group from time to time to ensure that the Group is led by an effective Board in order to optimise return for shareholders.

The Company adopted the code provisions of the Corporate Governance Code (the "CG Code") set out in Appendix 14 to the Rules Governing the Listing of Securities on the Stock Exchange (the "Listing Rules"). In the opinion of the Board, throughout the year ended 31 December 2022, the Company had complied with the applicable code provisions set out in the CG Code, except for certain deviations as specified together with considered reasons for such deviations as explained below. The board has reviewed the practice at least annually and made appropriate changes if considered necessary.

The Board will continue to annually review the compliance of the CG Code so as to safeguard and maximise the benefit of the stakeholders of the Company.

#### **DIRECTORS' SECURITIES TRANSACTIONS**

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers (the "Model Code") as set out in Appendix 10 of the Listing Rules as its own code of conduct for dealings in securities of the Company by the Directors. Having made specific enquiry to all the Directors, all the Directors have confirmed that they have complied with the required standards set out in the Model Code throughout the year ended 31 December 2022.

#### **BOARD OF DIRECTORS**

#### **Role and delegation**

The Board is responsible for the leadership and directing and supervising the Group's businesses, strategic decisions and performance. The Board meets regularly to make decision on all major matters of the Group, including the approval and monitoring of all material acquisitions and disposals, material contracts, notifiable and/or connected transactions, appointment or re-appointment of Directors and the financial performance in pursuit of its strategic goals. The Board is also responsible for developing and reviewing the appropriate corporate governance practices applicable to the Company's circumstances and ensuring processes and procedures are in place to achieve the Company's corporate governance objectives. The Board has delegated the leadership and day-to-day operation of the Group to the chief executive officer (the "Chief Executive Officer") and the management of the Group.

All Directors have timely access to all relevant information of the Company and the advice of the management. Any Director may also seek independent professional advice in appropriate circumstances at the Company's expenses upon reasonable request made to the Board.

#### Composition

The Board currently comprises the following Directors:

**Executive Directors** Mr. Zhou Min (Chairman) Mr. Zhao Kexi (Chief Executive Officer) Mr. Li Haifeng Mr. Li Li Mr. Zhou Chen

Independent Non-executive Directors (the "INEDs")

Mr. Orr Ka Yeung, Kevin Mr. Wu Tak Kong Dr. Du Huanzheng

The Board has met the requirements of Rules 3.10 and 3.10A of the Listing Rules of having at least three INEDs (representing at least one-third of the Board). In addition, Mr. Wu Tak Kong, an independent non-executive Director, has the appropriate professional qualifications, accounting or related financial management expertise as required under the Listing Rules.

The biographical details of the Directors are set out in the section headed "Directors and Senior Management" in this annual report. Save as disclosed in the section headed "Directors and Senior Management", there is no relationship (including financial, business, family or other material/relevant relationship) among the Board members.

#### **Chairman and Chief Executive Officer**

Currently, the Chairman is Mr. Zhou Min and the Chief Executive Officer is Mr. Zhao Kexi. The roles of the Chairman and the Chief Executive Officer are clearly defined and segregated to ensure independence and accountability of their respective functions and balanced distribution of power and authority between them.

The Chairman has executive responsibilities, provides leadership to, and oversees the functioning of, the Board to ensure that it acts in the best interests of the Group and that Board meetings are planned and conducted effectively. With the support of the executive Directors and the company secretary, the Chairman seeks to ensure that all Directors are properly briefed on issues arising at Board meetings and are provided with adequate and accurate information in a timely manner.

The Chairman promotes a culture of openness and actively encourages Directors to voice their opinion and be fully engaged in the Board's affairs so as to contribute to the Board's effective functioning. The Board, under the leadership of the Chairman, has adopted good corporate governance practices and procedures and taken appropriate steps to provide effective communication with shareholders and other stakeholders as outlined later in this Corporate Governance Report.

The Chief Executive Officer, leading the Group's management, is accountable to the Board for the overall implementation of the Company's strategies and the management of the operations of the Group.

#### **Independent non-executive Directors**

The Board considers that the INEDs can provide independent advices on the Company's business strategies, results and management so as to safeguard the interests of the Company and its shareholders.

The Company has received a written annual confirmation from each of the INEDs confirming his independence pursuant to Rule 3.13 of the Listing Rules. The Company considers all the INEDs are independent.

#### **Corporate governance functions**

The Board has undertaken the responsibility for performing the corporate governance duties of the Company including:

- (i) to develop and review the Company's policies and practices on corporate governance;
- (ii) to review and monitor the training and continuous professional development of Directors and senior management;
- (iii) to review and monitor the Company's policies and practices on compliance with legal and regulatory requirements;
- (iv) to develop, review and monitor the code of conduct and compliance manual (if any) applicable to Directors and employees; and
- to review the Company's compliance with the CG Code and disclosures in the Company's Corporate Governance Report.

#### **Nomination Policy and Board diversity**

The nomination committee of the Company (the "Nomination Committee") shall nominate suitable candidates to the Board for it to consider and make recommendations to the shareholders for election as Directors at general meetings or appoint as additional Directors to the Board or Directors to fill casual vacancies in accordance with the nomination policy of the Company (the "Nomination Policy"). In the nomination process, the Nomination Committee shall consider candidates from a wide variety of backgrounds, identify and nominate potential candidates and makes recommendations for the Board's consideration and approval.

When assessing the suitability of a proposed candidate for directorships, the Nomination Committee shall consider the following factors:

- accomplishment and experience in the industry, in particular, in the environmental protection segment;
- reputation for integrity;
- commitment in respect of available time and relevant interest;
- merit and contribution to the Board;
- contribution to diversity of the Board; and
- in the case of INEDs, the independence of the candidate.

The above factors are for reference only, and not meant to be exhaustive and conclusive. The Nomination Committee has the discretion to nominate any person, as it considers appropriate.

The Board adopted a Board diversity policy (the "Board Diversity Policy") formulated by the Company in accordance with the requirements of the Listing Rules. It aims to set out the approach to achieve diversity on the Board. The Board endeavours to ensure that it has a balance of skills, experience and diversity of perspectives which are appropriate to the requirements of the Group's business. Selection of candidates will be based on a range of diversity perspectives, including but not limited to gender, age, nationality and ethnicity, cultural and educational background, professional experience, skills, knowledge and length of service. The ultimate decision will be based on merit and contribution that the selected candidates will bring to the Board. The Nomination Committee will review the Board Diversity Policy and the Nomination Policy from time to time to ensure the continued effectiveness of such policies.

The Board has reviewed the structure, size, composition and diversity of the Board, the implementation and effectiveness of the Board Diversity Policy as well as the nomination and appointment procedure of directors during the year. As at the date of this Corporate Governance Report, there are eight Directors with extensive experience and/or professional backgrounds to formulate and give direction of the Group's corporate strategy and business development. The composition, experience and balance of skills on the Board are regularly reviewed by a core of members with longstanding and deep knowledge of the Group alongside new Directors who bring fresh perspectives and diverse experiences to the Board. The process for the nomination of Directors is led by the Nomination Committee. The Board considered that the Board was sufficiently diverse in terms of balance of skills and experience.

Besides, the Company will continue to take steps to promote gender diversity at all levels of the Group, including but not limited to the Board and the senior management levels.

#### Tenure

In accordance with the Amended and Restated Memorandum of Association and Articles of Association of the Company (the "Articles of Association"), all Directors are subject to retirement by rotation. At each annual general meeting, one-third of the Directors for the time being shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. The retiring Directors shall be eligible for re-election.

#### Directors' induction and continuous professional development

Upon appointment to the Board, each newly appointed Director would receive a comprehensive induction package covering the statutory and regulatory obligations of a director of a listed company.

The Company continuously updates Directors on the latest developments regarding the Listing Rules and other applicable regulatory requirements, to ensure compliance and enhance their awareness of good corporate governance practices. All Directors are encouraged to participate in continuous professional development to develop and refresh their knowledge and skills. The Company has arranged trainings for all Directors in the form of seminar and provision of training materials. Guidance notes and memorandum are issued to all Directors where appropriate, to ensure awareness of best corporate governance practices.

#### **Liability Insurance for the Directors**

The Company has arranged for appropriate directors and officers liability insurance to indemnify its Directors against liabilities arising out of legal action on corporate activities. Such insurance coverage is reviewed and renewed with consultant advice on an annual basis.

#### **BOARD COMMITTEES**

The Board has established three Board committees to strengthen its functions and corporate governance practices, namely, audit committee (the "Audit Committee"), the Nomination Committee and remuneration committee (the "Remuneration Committee"). The Audit Committee, the Nomination Committee and the Remuneration Committee perform their specific roles in accordance with their respective written terms of reference. The terms of reference of these committees stipulating their respective authorities and responsibilities are available on the Company's website.

#### **Audit Committee**

The Audit Committee comprises all three INEDs, namely Mr. Wu Tak Kong (chairman), Mr. Orr Ka Yeung, Kevin and Dr. Du Huanzheng. None of the members of the Audit Committee is a former partner of the auditor of the Company.

The primary duties of the Audit Committee are to assist the Board by providing an independent view of the effectiveness of the financial reporting system, risk management and internal control systems of the Group, to develop and review the Group's policies. The Audit Committee is also responsible for making recommendation to the Board on the appointment of the external auditor and approving the remuneration and terms of engagement of the external auditor. The Audit Committee is required to review and monitor the external auditor's independence and objectivity and the effectiveness of the audit process in accordance with applicable standards and to perform other duties and responsibilities as assigned by the Board.

The Audit Committee had reviewed the Group's consolidated financial statements for the year ended 31 December 2022. Throughout the year ended 31 December 2022, three Audit Committee meetings were held to review and discuss, inter alia, with the management of the Company and the external auditors the accounting principles and practices adopted by the Group, the interim and annual results, as well as internal controls, risk factors and other financial reporting matters, during which all INEDs were present throughout the meeting. Details of the individual attendance records of each INED at the meetings are set out in the section headed "Board and Board Committees Meetings" in the Corporate Governance Report.

The Board agreed with the Audit Committee's proposal for selection and re-appointment of Messrs. Ernst & Young as the Company's external auditor for the year 2023. The recommendation will be put forward for shareholder's approval at the AGM of the Company.

#### ACCOUNTABILITY AND AUDIT

#### **Financial reporting**

The Directors are responsible for the preparation of financial statements for each financial period which gives a true and fair view of the state of affairs of the Group and of the results and cash flows for that period. In preparing the financial statements for the year ended 31 December 2022, the Directors have selected suitable accounting policies and applied them consistently (except for the adoption of revised standards, amendments to standards and interpretation); adopted appropriate Hong Kong Financial Reporting Standards and Hong Kong Accounting Standards; made adjustments and estimates that are prudent and reasonable; and have prepared the financial statements on a going concern basis. The Directors are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company.

The responsibility of Ernst & Young, the Company's external auditor, is set out on pages 42 to 45 of the "Independent Auditor's Report" in this annual report.

#### Auditor's remuneration

The remuneration paid/payable to the Company's auditor for the year ended 31 December 2022 are set out as follows:

Services rendered for the Group	Fee paid/ payable to HK\$'000
Audit services:	
– annual financial statements	3,800
Non-audit services:	
<ul> <li>agreed-upon procedure engagement in relation to interim financial report</li> </ul>	650
– other professional service	200
– taxation compliance	15
Total	4,665

#### **Remuneration Committee**

The Remuneration Committee comprises one executive Director and two INEDs, namely Mr. Zhao Kexi, Dr. Du Huanzheng (chairman) and Mr. Wu Tak Kong, respectively.

The Company has adopted the model set out in code provision E.1.2(c)(ii) of the CG Code as its Remuneration Committee model under which the Remuneration Committee shall make recommendations to the Board on the remuneration packages of individual executive directors and senior management.

The primary duties of the Remuneration Committee include the following:

- to make recommendations to the Board on the Company's policy and structure for all remuneration of Directors and senior management and on the establishment of a formal and transparent procedure for developing policy on such remuneration;
- to review and determine, with delegated responsibilities and authorisation by the Board, the remuneration packages
  of individual executive Directors and senior management with reference to the Board's corporate goals and
  objectives;
- (3) to make recommendations to the Board on the remuneration of non-executive Directors and INEDs;
- (4) to consider salaries paid by comparable companies, time commitment and responsibilities and employment conditions elsewhere in the Group;
- (5) to review and approve compensation payable to executive Directors and senior management for any loss of termination of office or appointment to ensure that it is consistent with contractual terms and is otherwise fair and not excessive;
- (6) to review and approve compensative arrangements relating to dismissal or removal of Directors for misconduct to ensure that they are consistent with contractual terms and are otherwise reasonable and appropriate; and
- (7) to ensure that no Directors or any of his/her associates is involved in deciding his/her own remuneration.

Throughout the year ended 31 December 2022, one Remuneration Committee meeting was held. Details of the individual attendance records of each member of the Remuneration Committee at the meeting are set out in the section headed "Board and Board Committees Meetings" in this Corporate Governance Report.

#### **Nomination Committee**

The Nomination Committee comprises one Executive Director and two INEDs, namely Mr. Zhou Min (chairman), Mr. Orr Ka Yeung, Kevin and Mr. Wu Tak Kong, respectively.

The primary duties of the Nomination Committee are to review the structure, size and composition of the Board and make recommendations to the Board on the appointment or re-appointment of members of the Board and succession planning for members of the Board.

Throughout the year ended 31 December 2022, one Nomination Committee was held. Details of the individual attendance records of each member of the Nomination Committee at the meeting are set out in the section headed "Board and Board Committees Meetings" in this Corporate Governance Report.

#### **BOARD AND BOARD COMMITTEES MEETINGS**

The individual attendance records of each Director at the meetings of the Board, the Audit Committee, the Nomination Committee, the Remuneration Committee and the annual general meeting held for the year ended 31 December 2022 are set out in the following table:

Name of Director	Board	Audit Committee	Nomination Committee	Remuneration Committee	Annual General Meeting
Executive Directors		NO CONTRACTOR	1.1.135.60	6.58 SQ 6.7.	10085 8 24

Mr. Wu Tak Kong	4/4	3/3	1/1	1/1	1/1
Dr. Du Huanzheng	4/4	3/3	ANAL AND AND A	1/1	1/1

The Board is committed to ensuring independent views and input are available for the Board's discussion. Throughout the year ended 31 December 2022, the Chairman held one meeting with the INEDs without the presence of the executive Directors. Regular Board meetings of each year are scheduled in advance to facilitate maximum attendance of Directors. In addition, any Director may make request to the Chairman of the Board in writing to request for independent professional advice to assist the relevant Director to discharge his duties. During the year, the Board has reviewed the implementation and effectiveness of such mechanism to ensuring the availability of independent view to the Board.

#### **Risk management and internal control**

The Board has the overall responsibility for overseeing the risk management, ESG risk management and internal control systems on an on-going basis, and reviewing the effectiveness of the Group's risk management, ESG risk management and internal control systems at least annually covering material controls, including financial, operational and compliance controls, to ensure that the systems in place are adequate and effective, so as to safeguard the interests of the shareholders of the Company and the assets of the Group.

The Group continuously integrated Environmental, Social and Governance risk ("ESG risk") management to all areas of its business operations. Therefore, ESG risk assessment was carried out this year to actively manage environmental and social risks within its sphere of influence.

The Board understands that it is responsible for evaluating and determining the nature and extent of the risks it is willing to take and ensuring that the Group has established and maintained appropriate and effective risk management and internal control systems. The systems are designed to manage rather than eliminate the risk of failure to achieve business objectives, and can only provide reasonable and not absolute assurance against material misstatement or loss.

The Board has delegated to the management the design, implementation and monitoring of the risk management and internal control systems on an on-going basis. The Audit Committee has also delegated with overseeing and reviewing the effectiveness of the risk management and internal control systems of the Group.

The audit and supervision department of the Company (the "Audit and Supervision Department") carries out an independent evaluation of key business processes and controls in accordance with its normal procedures.

Their recommendations and remedial measures will be taken to rectify the deficiencies accordingly.

An on-going process has been established for identifying, evaluating and managing the significant risks faced by the Group. The process involves:

- (i) Risk Identification: identify risks that may potentially affect the Group's businesses and operations;
- (ii) Risk Evaluation: consider the impact on the business and the likelihood of their occurrence; and
- (iii) Risk Management: perform on-going and periodic monitoring of the risks and ensure that appropriate internal control processes are in place.

The Audit and Supervision Department performs the internal audit function and assists the Board to set up effective policies and guidelines for risk management and internal controls, and is responsible for the regular review on the execution of these policies and guidelines.

In addition, the Company may engage independent consultant (the "Independent Consultant") to conduct review of the internal control system and risk management of the Group as and when necessary.

The Board, through the Audit Committee, has conducted a review on the Group's risk management and internal control systems which covered financial, operational, compliance procedural and risk management functions and internal control matters identified by the Independent Consultant. It also conducts review on the internal audit functions with particular emphasis on the scope and quality of management's on-going monitoring of risks and of the internal control systems and the works of the Independent Consultant. During the annual review, the Audit Committee also considers the adequacy of resources, staff qualifications and experience, training programmes and budget of the Company's accounting, internal audit and financial reporting functions.

Based on the assessment and information made by the Independent Consultant and the management, the Audit Committee considered that the risk management and internal control systems of the Group of the reporting year are effective and adequate.

#### Whistleblowing Policy and Anti-Bribery and Anti-Corruption Policy

Upholding the code of ethics and industry standards, the Group has put in place the Anti-fraud Management Regulation (《反舞弊管理制度》), Supervision and Audit Regulation (《監察審計制度》), Measures for the Administration of Rewards and Punishments in Auditing and Supervision (《審計監察獎懲管理辦法》) and Prohibitive Provisions of the Group (《集團禁止性 規定》), which standardize the work procedures of audit and supervision and prohibit misconducts such as abusing power for personal gains, striving to create a clean and upright working environment.

The Group had no judicial litigation cases involving corruption, fraud and money laundering throughout the year of 2022.

In 2022, the Group continued to strengthen the daily supervision of anti-fraud activities, refined the reporting management work involved in the audit and supervision system, and released the Management Measures for Complaints and Reporting (《投訴舉報管理辦法》), in which reporting channels were specified.

The detail information regarding the Whistleblowing Policy and Anti-briery and Anti-Corruption policies are set out in the Company's "2022 Environmental, Social and Governance Report".

#### **Inside information**

The Company has taken appropriate measures to identify inside information and preserve its confidentiality until proper dissemination via the electronic publication system operated by the Stock Exchange. Every senior management of the Company must take all reasonable measures to ensure that proper safeguards exist to prevent a breach of a disclosure requirement in relation to the Company from time to time. They must promptly bring any possible leakage or divulgence of inside information to the attention of the Board for taking appropriate action promptly. For any material violation of this policy, the Board will decide, or designate appropriate persons to decide, the course of actions for rectifying the problem and avoiding recurrence.

#### **REMUNERATION OF DIRECTORS AND SENIOR MANAGEMENT**

Pursuant to code provision E.1.5 of the CG Code, the remuneration of the members of the senior management (other than Directors) for the year ended 31 December 2022 is as follows:

Remuneration band	Number of individuals
HK\$1,000,001 to HK\$1,500,000	2
HK\$1,500,001 to HK\$2,000,000	1
HK\$2,000,001 to HK\$2,500,000	1

Particulars regarding Directors' remuneration and the five highest paid employees as required to be disclosed pursuant to Appendix 16 of the Listing Rules are set out in notes 8 and 9 to the financial statements in this annual report, respectively.

#### **COMPANY SECRETARY**

Mr. Fung Che Wai, Anthony, the former company secretary of the Company (the "Company Secretary"), was a full time employee of the Company. On 30 December 2022, Mr. Fung has resigned as the Company Secretary and Mr. Zhang Xiangyu has been appointed as the Company Secretary. Mr. Zhang is also a full time employee of the Company. Throughout the year ended 31 December 2022, Mr. Fung and Mr. Zhang have complied with Rule 3.29 of the Listing Rules.

#### SHAREHOLDERS' RIGHTS

#### Convening an extraordinary general meeting (the "EGM") by shareholders

Pursuant to article 58 of the Articles of Association, the Board may whenever it thinks fit call an EGM. EGM shall also be convened on the requisition of one or more shareholders of the Company holding, at the date of deposit of the requisition, not less than one-tenth of the paid up capital of the Company carrying the right of voting at general meetings of the Company shall at all times have the right, by written requisition to the Board or the Company Secretary, to require an EGM to be called by the Board for the transaction of any business specified in such requisition; and such meeting shall be held within 2 months after the deposit of such requisition. If within 21 days of such deposit, the Board fails to proceed to convene such meeting, the requisitionist(s) himself (themselves) may do so in the same manner, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company.

#### Procedures for directing shareholders' enquiries to the Board

Shareholders of the Company may at any time send their enquiries to the Board for the attention of the Company Secretary via email (ir@beurg.com) or directed to the Company's head office and principal place of business in Hong Kong at Units 6706-6707, 67th Floor, Central Plaza, 18 Harbour Road, Wanchai, Hong Kong. Shareholders of the Company may also make enquiries with the Board at general meetings of the Company.

#### Procedures for putting forward proposals at shareholders' meetings

If a shareholder of the Company wishes to put forward proposals at an annual general meeting/EGM which is to be held, such shareholder, who is duly qualified to attend and vote at such general meeting, shall follow the procedures as set out below which are required in accordance with the Articles of Association and the Listing Rules:

- 1. A shareholder of the Company shall validly serve on the Company Secretary his/her written and signed notice of intention to propose a resolution at the annual general meeting/EGM.
- 2. The foregoing documents shall be lodged at the Company's head office and principal place of business in Hong Kong at Units 6706-6707, 67th Floor, Central Plaza, 18 Harbour Road, Wanchai, Hong Kong.
- 3. The period for lodgement of the foregoing notices required under the Articles of Association shall commence on the day after the despatch of the notice of the annual general meeting/EGM and end no later than 7 days prior to the date of the annual general meeting/EGM and such period shall be at least 7 days.
- 4. The notice will be verified with the Company's branch share registrar and transfer office in Hong Kong and upon their confirmation that the request is proper and in order, the Company Secretary will ask the Board to consider to include the proposed resolutions in annual general meeting/EGM.

#### **INVESTOR RELATIONS**

#### **Communication with shareholders**

The Group also has a proactive investor relations programme that keeps stakeholders abreast the Group's latest development and discloses relevant information to the public in a timely manner. Information in relation to the Group is disseminated to Shareholders in a timely manner through a number of formal channels, which include interim and annual reports, announcements and circulars. Such published documents, together with the latest corporate information and news, are also made available on the Company's website. During the year ended 31 December 2022 and up to the date of this Corporate Governance Report, the management of the Group held various meetings with potential investors and participated in investor and press conferences. The Company's general meetings are valuable forums for the Board to communicate directly with Shareholders. The code provision F.2.2 provides that, among others, the chairman of the board should attend the annual general meeting of the listed issuer. In the annual general meeting of the Company held on 7 June 2022 (the "2022 AGM"), Mr. Zhou Min, the Chairman of the Board, did not chair the meeting due to other essential business engagements. In order to ensure smooth holding of the 2022 AGM, Mr. Zhou authorized and the Directors attending the meeting elected Mr. Wu Tak Kong, an independent non-executive director and the chairman of Audit Committee of the Company, to chair the meeting. Respective chairmen or representatives of the audit, remuneration and nomination committee of the Company were present at the 2022 AGM and were available to answer relevant questions, which was in compliance with other part of code provision F.2.2.

The Board has reviewed the implementation and effectiveness of the channels of communication with the shareholders and other stakeholders during the year and considered that the related policies were able to facilitate an open and ongoing communication with the Shareholders on fair disclosure basis.

#### **Constitutional documents**

The Company adopted the Articles of Association on 15 January 2020. Throughout the year ended 31 December 2022, there was no significant change in the constitutional documents. The Articles of Association is available on both the websites of the Company and the Stock Exchange.

#### **Dividend Policy**

The objective of the Company's dividend policy (the "Dividend Policy") is to allow shareholders of the Company to participate in the Company's profits, while also ensuring that adequate reserves are retained for future prospects of the Group. According to the Dividend Policy, in deciding whether to declare or recommend any dividend distribution, the Board shall take into account, including but not limited to, the following factors:

- the Group's actual and expected financial performance;
- retained earnings and distributable reserves of the Company and each of the members of the Group;
- the Group's working capital requirements, capital expenditure requirements and future expansion plans;
- the Group's liquidity position;
- the level of the Group's debts to equity ratio, return on equity, contractual restrictions and relevant financial covenants;
- taxation considerations;
- general economic conditions, business cycle of the Group's businesses and other internal or external factors that may have an impact on the businesses or financial performance and position of the Group;
- statutory and regulatory restrictions; and
- other factors that the Board deems relevant.

Any declaration and payment of dividend shall remain to be determined at the discretion of the Board and subject to the compliance with all applicable laws and regulations including the laws of the Cayman Islands and the Articles of Association.

#### **EXECUTIVE DIRECTORS**

**Mr. Zhou Min** (周敏), aged 59, was appointed as our Director on 26 March 2019 and was re-designated as our nonexecutive Director and chairman on 9 April 2019. On 1 August 2022, Mr. Zhou was re-designated as an executive Director and continued to act as chairman.

Mr. Zhou is primarily responsible for leading our Board, ensuring the effective operation of our Board and providing business strategy and management advice to our Board. From May 2001 to May 2014, Mr. Zhou served as the executive director and chief financial officer of BE Zhongkecheng Environmental where he was primarily responsible for its financial management. Since May 2014, Mr. Zhou has been the chairman of BE Zhongkecheng Environmental where he has been primarily responsible for its overall management. From August 2008 to March 2016, Mr. Zhou served as an executive director of Beijing Enterprises Water Group limited ("BEWG") and was primarily responsible for overseeing its daily operations, corporate development, administrative management, capital operations and risk control. Since March 2016, Mr. Zhou has been an executive director and the chief executive officer of BEWG where he has been primarily responsible for its overall operations management.

Mr. Zhou received his bachelor's degree in law from National University of Defense Technology (中國人民解放軍國防科 學技術大學) (now known as 中國人民解放軍國防科技大學) in the PRC in June 2002, and his executive master's degree of business administration from Tsinghua University (清華大學) in the PRC in January 2008. He is the father of Mr. Zhou Chen, an executive Director.

**Mr. Zhao Kexi (趙克喜)**, aged 47, was appointed as our Director on 26 March 2019 and was re-designated as our executive Director on 9 April 2019. Mr. Zhao is also our president and Chief Executive Officer. He is primarily responsible for the overall management of our Group. Since December 2016, Mr. Zhao has been serving as the chairman of the board and general manager of Qingdao Beijing Enterprises Resources and Environmental Technology Limited\* (青島北控資源與 環境技術有限公司), an indirectly owned subsidiary of the Company principally engaged in construction and operation of urban garbage recycling and utilization facilities.

Prior to joining our Group, from August 1999 to December 2003, Mr. Zhao worked at Mianyang Yiduoyuan Real Estate Development Co., Ltd.\* (綿陽市益多園房地產開發有限責任公司), a company principally engaged in real estate business, where he was primarily responsible for its financial matters. From December 2003 to June 2008, Mr. Zhao served as the head of the auditing department of Beijing Enterprises Zhongkecheng Environmental Protection Group Limited\* (北京中科成環保集團有限公司)("BE Zhongkecheng Environmental"), a subsidiary of BEWG principally engaged in water treatment, where he was primarily responsible for supervising auditing related matters. From June 2008 to November 2016, Mr. Zhao held several positions at BEWG, where he last served as a vice president and was primarily responsible for investment management and auditing related matters.

Mr. Zhao received his bachelor's degree in accounting from Southwestern University of Finance and Economics (西南財 經大學) in the PRC in June 2005, and his executive master's degree of business administration from Tsinghua University (清華大學) in the PRC in June 2016. Mr. Zhao received his certificate of certified public accountant from the Ministry of Finance of the PRC (中華人民共和國財政部) in April 2006 and his certificate of senior international finance manager (高級 國際財務管理師) from the International Financial Management Association in March 2014.

**Mr. Li Haifeng (**李海楓), aged 52, was appointed as our Director on 26 March 2019 and was re-designated as our non-executive Director on 9 April 2019. On 1 August 2022, Mr. Li was re-designated as an executive Director. Mr. Li is primarily responsible for providing business strategy and management advice to our Board.

From September 1992 to September 2000, he served as an assistant president of Peking University Founder Group Co., Ltd.\* (比大方正集團有限公司), a company principally engaged in information technology, medical and financial services, where he was primarily responsible for human resources, export and import function and securities investment. From January 2001 to December 2005, he served as an executive vice president of Founder Xintiandi Software Technology Co. Ltd. (方正新天地軟件科技有限公司), an information management solution provider where he was primarily responsible for overseeing oversees marketing and logistic arrangements.

From September 2006 to July 2008, Mr. Li served as a supervisor of BE Zhongkecheng Environmental where he was primarily responsible for exploring business opportunities in the PRC. Since August 2008, Mr. Li has been an executive director and vice president of BEWG where he has been primarily responsible for coordinating overseas business and capital market.

From April 2010 to April 2013, Mr. Li served as an independent non-executive director of Simsen International Corporation Limited (now known as Huarong International Financial Holdings Limited (華融國際金融控股有限公司)), a company principally engaged in securities, corporate finance and asset management and listed on the Main Board of the Stock Exchange (stock code: 993), where he was primarily responsible for providing independent advice to the board. From June 2011 to 1 February 2023, Mr. Li act as chairman and an executive director of Carry Wealth Holdings Limited (恆富控股有限公司), a garment manufacturer listed on the Main Board of the Stock Exchange (stock code: 643), where he has been primarily responsible for providing overall strategy to the company.

Mr. Li received his bachelor's degree in law from Peking University (北京大學) in the PRC in July 1992.

**Mr. Li Li (李**力), aged 57, was appointed as our Director on 26 March 2019 and was re-designated as our non-executive Director on 9 April 2019. On 1 August 2022, Mr. Li was re-designated as an executive Director. Mr. Li is primarily responsible for providing business strategy and management advice to our Board.

From September 1988 to September 2001, Mr. Li served several positions at Zhong Ji First Design & Research Institute Company Limited\* (中機第一設計研究院有限公司) (formerly known as Mechanical Industry First Design & Research Institute Company Limited\* (機械工業第一設計研究院)), a company principally engaged in construction design and consultancy, where he last served as a vice director and was primarily responsible for marketing. From October 2001 to January 2007, Mr. Li joined Beijing Sound Environmental Construction Company Limited\* (北京桑德環境工程有限公司) ("Beijing Sound"), a water construction provider as a general manager, where he was primarily responsible for its daily operations management. From January 2007 to February 2011, Mr. Li served as the chief executive officer and last served as an executive director of Sound International Co., Ltd. (桑德國際有限公司), the parent company of Beijing Sound, where he was primarily responsible for overseeing its overall operations and management.

Mr. Li joined BEWG in October 2010. In February 2014, Mr. Li started to serve as an executive director at BEWG and became an executive president in March 2016, during which he has been primarily responsible for overseeing its daily operations and operations management.

Mr. Li received his bachelor's degree in mechanical engineering majoring in welding from Xi'an Jiaotong University (西安 交通大學) in the PRC in July 1988 and his doctor's degree in engineering from Tsinghua University (清華大學) in the PRC in April 2018. Mr. Li obtained his certificate of senior engineer (高級工程師) from Beijing Senior Professional and Technical Positions Review Committee (北京市高級專業技術職務評審委員會) in November 1997.

**Mr. Zhou Chen** (周塵), aged 32, was appointed as our executive Director on September 1, 2021. Mr. Zhou joined the Company in January 2021. He has been a director of three wholly-owned subsidiaries of the Company, namely Beijing Enterprises Urban Environmental Services Group Limited\* (比控城市環境服務集團有限公司), Beijing Enterprises Urban City (Beijing) Environmental Technology Limited\* (比控城市(北京)環境科技有限公司) and Beijing Enterprises Urban Environmental Resources (PRC) Limited\* (比控城市環保資源投資(中國)有限公司). Mr. Zhou has been appointed as the president assistant of the Company since May 2021, where he has been primarily responsible for business development. Prior to joining the Company, from May 2013 to October 2016, Mr. Zhou worked at METROLINX, a public agency engaging in public transportation services for the Ontario government in Canada, as a supervisor of financial operations and special projects, and was responsible for the financial system product design, financial process and operational management matters of the electronic payment business under the agency. From August 2019 to December 2020, Mr. Zhou served as an overseas strategy and business manager of Jingdong Digits Technology Holding Co., Ltd. (京東數字科技控股股份有 限公司)), and was responsible for the overseas strategy of electronic payment and local business, business product strategy and business analysis.

Mr. Zhou obtained a Bachelor degree of Accounting, Finance and Economics (Honours) from the Rotman School of Management, University of Toronto in 2013, a Master degree of business administration from the School of Economics and Management of Tsinghua University in 2019, and a Master degree of Science from the MIT Sloan School of Management in 2019. Mr. Zhou was admitted as a member of the Chartered Professional Accountants of Canada (CPA Canada) and a member of the Canadian Institute of Chartered Accountants (CICA) in 2016. Mr. Zhou is the son of Mr. Zhou Min, the Chairman of the Board.

#### **INDEPENDENT NON-EXECUTIVE DIRECTORS**

**Mr. Orr Ka Yeung, Kevin (**柯家洋), aged 44, was appointed as our independent non-executive Director on 19 December 2019.

Mr. Orr was appointed as the Group Vice President & Chief Investment Officer of Winner Medical Co., Ltd. (穩健醫療用品 股份有限公司) in July 2017, a medical device and consumer healthcare & lifestyle new economy conglomerate, where he is mainly responsible for group strategic investments, sustainability and public affairs. He was appointed as the Executive Director & General Manager of Winner Medical (Hong Kong) Limited (穩健醫療(香港)有限公司) in May 2002.

Mr. Orr is a committee member of All-China Youth Federation (中華全國青年聯合會); a member of Beijing Tongzhou District Committee of the CPPCC; a standing committee member of Beijing Youth Federation (北京市青年聯合會); the vice chairman of Hong Kong United Youth Association; the vice chairman of Centum Charitas Foundation; the vice president of the Guangdong-Hong Kong-Macao Greater Bay Area Biotechnology Alliance (粵港澳大灣區生物科技聯盟); a member of the Council for Sustainable Development of the HKSAR Government; a member of Global Expert Group of "Sustainable Healthcare Infrastructure for the Belt and Road Initiative to Accelerate the SDGs" Action Platform of United Nations Global Compact; a co-opted member of The Social Innovation and Entrepreneurship Development Fund Task Force under the Commission on Poverty of the HKSAR Government; and a member of Departmental Advisory Committee of Department of Biomedical Engineering at City University of Hong Kong. Mr. Orr received the Gold Medal award of the 54th World Exhibition of Innovation, Research and New Technology in 2005 (also known as Brussels Eureka 2005). Mr. Orr received the Distinguished Alumni Award of University of Victoria, and Young Industrialists Award of Hong Kong in 2019, Distinguished Young Entrepreneur Grand Award of Guangdong-HK-Macao Bay Area (粵港澳大灣區傑出青年企業家大獎) in 2020 and was selected as the United Nations Sustainable Development Goals Pioneer of China (聯合國可持續發展 目標中國先鋒) by the United Nations Global Compact Network in China (聯合國全球契約中國網絡) in 2020.

Mr. Orr received his Bachelor of Arts degree from University of Victoria in Canada in October 2002; his Master of Business Administration degree from The Hong Kong Polytechnic University in November 2010; and his Master of Public Health degree in Faculty of Medicine of The Chinese University of Hong Kong in November 2015.

Mr. Wu Tak Kong (胡德光), aged 57, was appointed as our independent non-executive Director on 19 December 2019.

From 1987 to 1997, Mr. Wu served as an auditor at accounting firms, served as an accountant and a company director of a company principally engaged in import and export business, an accountant of a clothing retail chain trading company where he was primarily responsible for general accounting management, supervision and administrative matters. From 1998, Mr. Wu served as an accounting manager of Kao Chemical (Hong Kong) Limited (花王化學(香港)有限公司), a Japanese company principally engaged in the trading and manufacturing of polyurethane for chemical products where he was primarily responsible for the management of the accounting departments in Hong Kong office and the factory in the PRC for eleven years. From 2009 to 2017, Mr. Wu was primarily responsible for accounting managements, financial compliance and audit matters in various companies. Mr. Wu currently serves as the chief executive officer in a business consultant company and principal of two audit firms.

Besides, Mr. Wu used to serve as a director in the following two companies. From November 2017 to January 2020, he served as an independent non-executive director of Ta Yang Group Holdings Limited (大洋集團控股有限公司), a company listed on the Main Board of the Stock Exchange (stock code: 1991). From November 2017 to June 2020, Mr. Wu served as a non-executive director of Kong Sun Holdings Limited (江山控股有限公司), a company listed on the Main Board of the Stock Exchange (stock code: 295).

Mr. Wu was admitted as a member of the Association of Chartered Certified Accountants in October 2002. He has been a member of the Hong Kong Institute of Certified Public Accountants since March 2003 and obtained practising certificate in Hong Kong from May 2015. Furthermore, Mr. Wu was admitted as a member of the Hong Kong Securities and Investment Institute in July 2016 and a fellow member of the Hong Kong Institute of Directors in August 2018 respectively. Mr. Wu received his master's degree in business administration from The Hong Kong Polytechnic University with credit in October 2008.

Dr. Du Huanzheng (杜歡政), aged 60, was appointed as our independent non-executive Director on 19 December 2019.

From 1984 to August 2013, Dr. Du successively served as a lecturer, associate professor and professor presenting economics, circular economy and statistics related at Jiaxing College (嘉興學院) and became its vice president in April 2003. Since July 2014, Dr. Du has been serving as a professor at Tongji University (同濟大學) where he was primarily responsible for circular economy related teaching and research work. Since March 2018, Dr. Du has been a doctoral supervisor and professor of United Nations Environment Program – Tongji Institute of Environment for Sustainable Development (聯合國環境署一同濟大學環境與可持續發展學院) at Tongji University, where he has been primarily responsible for circular economy related courses teaching and research work. Dr. Du is also a director of Circular Economy Research Institute (循環經濟研究所) at Tongji University.

Dr. Du is a member of the Expert Consultant Committee of the Inter-Ministerial Joint Conference on the Development of Circular Economy of NDRC (國家發改委發展循環經濟工作部際聯席會議專家諮詢委員會), a vice director of Environmental Management Committee of Society of Management Science of China (中國管理科學學會環境管理專業委員會), an expert of China Association of Circular Economy (中國循環經濟協會) and a member of the Investment and Financing Expert Committee of China Association of Circular Economy (中國循環經濟協會) and a member of the Investment and Financing Expert Committee of China Association of Circular Economy (中國循環經濟協會投融資專家委員會). Dr. Du has led various national and provincial research projects in the circular economy field. Dr. Du was selected as a finalist for The Circulars 2019, the world's premier circular economy award program, in the Leadership Category in March 2019.

Dr. Du received his bachelor's degree in economy in July 1984 and his master's degree in economy in July 1996 from Renmin University of China (中國人民大學) in the PRC. He also received his doctor's degree of philosophy from University of Tsukuba in Japan in January 2012.

#### SENIOR MANAGEMENT

**Mr. Chen Zhen (陳震)**, aged 53, has been our vice president since September 2017 and has been primarily responsible for the overall management of hazardous waste treatment service segment of our Group.

Prior to joining our Group, from March 2001 to March 2008, Mr. Chen served as a senior project manager of strategy and planning department of CITIC Group Corporation (中國中信集團有限公司) ("CITIC Group"), a financial services provider where he was primarily responsible for strategic business planning and project management. From January 2007 to December 2007, he also served as a deputy business general manager at Karazhanbas Oilfield of the CITIC Group primarily engaged in oil extraction, where he was primarily responsible for oil field procurement management and crude oil sales management. From December 2007 to December 2012, Mr. Chen served as a deputy general manager and a member of joint venture committee of Tianshi Group Energy Co., Ltd. (天時集團能源有限公司), a subsidiary of CITIC Group principally engaged in crude oil development and production, where he was primarily responsible for the management of administration, human resources, finance, procurement and crude oil sales. From September 2013 to July 2015, Mr. Chen served as the general manager of BOMCO-Beijing Offshore Petroleum Engineering Technology Co., Ltd. (北京寶石 海洋石油工程技術有限責任公司), an offshore drilling services provider where he was primarily responsible for overseeing business, financial and administrative management. From July 2015 to July 2017, Mr. Chen served as the president of Guangdong Zuanda Petrochemical Group (廣東鑽達石油化工集團), a company principally engaged in petrochemical products business, where he was primarily responsible for overall business development.

Mr. Chen received his bachelor's degree in welding technology and equipment from Xiangtan University (湘潭大學) in the PRC in July 1991, and his master's degree in management science and engineering from Beijing University of Science and Technology (北京科技大學) in the PRC in March 2001.

**Ms. Yip Man Ki (**葉文奇), aged 42, has been appointed as the Chief Financial Officer since December 2022, where she is primarily responsible for the supervision and management of finance of our Group.

Ms. Yip currently serves as the group senior finance manager and the financial controller (overseas division) of BEWG. Ms. Yip has extensive experience in financial management, corporate finance, and mergers and acquisitions. She also has extensive auditing experience from her previous employment with Grant Thornton Hong Kong Limited.

Ms. Yip has been a fellow member of the Association of Chartered Certified Accountants since October 2010 and obtained a bachelor degree of business administration with a major in accounting from The Hong Kong University of Science and Technology in October 2002.

The Directors are pleased to present their report and the audited consolidated financial statements of the Company and of the Group for the year ended 31 December 2022.

#### **PRINCIPAL ACTIVITIES**

The principal activity of the Company is investment holding. Principal activities of the principal subsidiaries comprise environmental hygiene services, hazardous waste treatment business and waste electrical and electronic equipment treatment business, details of which are set out in note 1 to the financial statements. There were no significant changes in the nature of the Group's principal activities during the year.

#### **RESULTS AND DIVIDENDS**

The register of members will be closed from Tuesday, 13 June 2023 to Thursday, 15 June 2023 (both days inclusive), during which period no transfer of shares will be registered. In order to qualify for entitlement to the Proposed Final Dividend, all properly completed transfer forms accompanied by the relevant share certificates must be lodged with the Company's branch share registrar in Hong Kong, Tricor Investor Services Limited, 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong for registration not later than 4:30 p.m. on Monday, 12 June 2023. Subject to the approval of shareholders of the Company at the forthcoming annual general meeting, the Proposed Final Dividend will be paid on or around Monday, 10 July 2023.

#### **FIVE YEAR FINANCIAL SUMMARY**

A summary of the results the assets, liabilities and non-controlling interests of the Group as at 31 December 2022 and for the last four financial years, as extracted from the published audited financial statements and the prospectus of the Company dated 30 December 2019, as restated as appropriate, is set out on page 120 of this annual report. This summary does not form part of the audited financial statements.

#### **SUBSIDIARIES**

Particulars of the Company's principal subsidiaries as at 31 December 2022 are set out in note 1 to the financial statements.

#### **PROPERTY, PLANT AND EQUIPMENT**

Details of movements in the property, plant and equipment of the Group during the year ended 31 December 2022 are set out in note 13 to the financial statements.

#### **SHARE CAPITAL**

Details of movements in the Company's share capital during the year, together with the reasons therefor, are set out in note 33 to the financial statements.

#### **PRE-EMPTIVE RIGHTS**

There are no provisions for pre-emptive rights under the Articles of Association of the Company or relevant laws of the Cayman Islands which would oblige the Company to offer new shares on a pro-rata basis to existing shareholders.

#### PURCHASE, SALE OR REDEMPTION OF LISTED SECURITIES OF THE COMPANY

Neither the Company nor any of its subsidiaries purchased, sold or redeemed any of the Company's listed securities for the year ended 31 December 2022.

#### **DISTRIBUTABLE RESERVES**

As at 31 December 2022, the Company's reserves available for distribution to the shareholders amounted to approximately HK\$304.7 million.

#### DONATIONS

During the year ended 31 December 2022, the Group made charitable and other donations amounting to HK\$562,000.

#### **MAJOR CUSTOMERS AND SUPPLIERS**

During the year ended 31 December 2022, purchases attributable to the Group's five largest suppliers and revenue from the Group's five largest customers accounted for approximately 29% and 19% of the Group's total purchases and total revenue, respectively.

None of the Directors or any of their associates or any shareholders (which, to the best knowledge of the Directors, own more than 5% of the Company's issued share capital) had any beneficial interest in the Group's five largest customers or five largest suppliers.

#### DIRECTORS

The Directors of the Company during the year and up to the date of this annual report are:

#### **Executive Directors**

Mr. Zhou Min *(Chairman)* Mr. Zhao Kexi *(Chief Executive Officer)* Mr. Li Haifeng Mr. Li Li Mr. Zhou Chen

#### **Independent Non-executive Directors**

Mr. Orr Ka Yeung, Kevin Mr. Wu Tak Kong Dr. Du Huanzheng

In accordance with articles 83(3) and 84 of the Articles of Association of the Company, Mr. Zhao Kexi, Mr. Orr Ka Yeung, Kevin and Dr. Du Huanzheng shall retire by rotation at the AGM and, being eligible, offer themselves for re-election.

The Company has received annual confirmation of independence from each of the INEDs pursuant to Rule 3.13 of the Listing Rules. The Nomination Committee has duly reviewed the independence of each of these Directors. The Company considered that all INEDs meet the independence guidelines set out in Rule 3.13 of the Listing Rules and as at the date of this annual report all of them are still considered to be independent.

#### BOARD CHANGES AND CHANGES IN INFORMATION OF DIRECTORS UNDER RULE 13.51B(1) OF THE LISTING RULES

During the year under review and up to the date of this report, board changes of the Company are as follows:

- Mr. Zhou Min was redesignated from a non-executive director to an executive director of the Company on 1 August 2022;
- Mr. Li Haifeng was redesignated from a non-executive director to an executive director of the Company on 1 August 2022; and
- Mr. Li Li was redesignated from a non-executive director to an executive director of the Company on 1 August 2022;

Change in information of directors, which is required to be disclosed pursuant to Rule 13.51B(1) of the Listing Rules, is set out below:

 Mr. Li Haifeng resigned as chairman and an executive director of Carry Wealth Holdings Limited, a garment manufacturer listed on the Main Board of the Stock Exchange (stock code: 643) on 1 February 2023.

#### **BIOGRAPHIES OF DIRECTORS AND SENIOR MANAGEMENT**

The biographical details of the Directors and the senior management of the Company are set out on pages 26 to 30 of this annual report.

#### **DIRECTORS' SERVICE CONTRACTS**

All executive Directors had entered into service agreements and all non-executive and independent non-executive Directors had entered into letters of appointment with the Company for a term of three years but are subject to retirement by rotation and re-election in accordance with the Articles of Association.

No Director proposed for re-election at the AGM has a service contract with the Company which is not determinable by the Company within one year without payment of compensation, other than statutory compensation.

#### **DIRECTORS' REMUNERATION**

The Directors' fees are subject to the approval of the Company's shareholders at general meetings. Other emoluments are determined by the Board with reference to Directors' duties, responsibilities and performance and the results of the Group as well as the recommendation of the Remuneration Committee. Save as disclosed in "Directors' Remuneration" in note 8 to the financial statements, during the year ended 31 December 2022, none of the Directors waived his emoluments nor has agreed to waive his emoluments for the year. Further details of the Company's Directors' remuneration are set out in note 8 to the financial statements.

Further details of the Remuneration Committee are set out in the Corporate Governance Report on page 20 of this annual report.

#### **EMOLUMENT POLICY**

The emolument of each of the Directors and the employees of the Group is on the basis of their merit, qualification, competence and experience in the industry, the profitability of the Group as well as remuneration benchmarks from other local and international companies and prevailing market conditions. Directors and employees also participate in bonus arrangements which are determined in accordance with the performance of the Group and the individual's performance.

#### **Employee benefits**

#### **Defined contribution plans**

The employees of the Group's subsidiaries which operate in Mainland China are required to participate in central pension schemes operated by the local governments, the assets of which are held separately from those of the Group. Contributions are made by the subsidiaries based on a percentage of the participating employees' salaries and are charged to the statement of profit or loss as they become payable in accordance with the rules of the central pension schemes. The employer contributions vest fully once made.

The Group also operates a defined contribution Mandatory Provident Fund retirement benefit scheme in Hong Kong (the "MPF Scheme") under the Hong Kong Mandatory Provident Fund Schemes Ordinance for those employees who are eligible to participate in the MPF Scheme. Contributions are made based on a percentage of the employees' basic salaries and are charged to the statement of profit or loss as they become payable in accordance with the rules of the MPF Scheme. The assets of the MPF Scheme are held separately from those of the Group in an independently administered fund. The Group's employer contributions vest fully with the employees when contributed into the MPF Scheme.

Except for voluntary contributions, no forfeited contributions under the above pension schemes and MPF Scheme are available to reduce the contribution payable in future years.

During the year ended 31 December 2022, total contributions to the Group's pension scheme contributions charged to profit or loss amounted to approximately HK\$252,056,000 (2021: HK\$220,085,000).

#### PERMITTED INDEMNITY PROVISION

Pursuant to the Articles of Association of the Company, the Directors shall be indemnified and secured harmless out of the assets of the Company from and against all actions, costs, charges, losses, damages and expenses which they shall or may incur or sustain by reason of any act done, concurred in or omitted in or about the execution of their duty. The Company has taken out and maintained Directors' and officers' liability insurance which provides appropriate cover for, among others, Directors and officers of the Company throughout the year ended 31 December 2022.

#### **DISCLOSURE OF INTERESTS**

# Directors' and Chief Executive's Interests and short positions in Shares, underlying shares or debentures of the Company and its Associated Corporations

As at 31 December 2022, the interests and short positions of the Directors and chief executive of the Company in the shares of the Company (the "Shares"), underlying shares and debentures of the Company or any of its associated corporations (within the meaning of Part XV of the Securities and Futures Ordinance (the "SFO"), as recorded in the register maintained by the Company pursuant to Section 352 of the SFO or as otherwise notified to the Company and the Stock Exchange pursuant to Part XV of the SFO or the Model Code as set out in Appendix 10 of the Listing Rules, were as follows:

#### Long positions in the Shares and/or underlying shares of the Company

Name of Directors	Personal interests	Family interests	Corporate interests	Interests pursuant to the AIC Agreement as under section 317 of the SFO (Note 5)	Total	Approximate percentage of the Company's Issued Share Capital (Note 1)
Mr. Zhou Min	-	-	490,476,000 (Note 2)	1,839,064,777	2,329,540,777	64.71%
Mr. Zhao Kexi	-	-	39,920,000 (Note 3)	2,289,620,777	2,329,540,777	64.71%
Mr. Li Haifeng	1,840,000		48,960,000 (Note 4)	2,278,740,777	2,329,540,777	64.71%
Mr. Zhou Chen	71,140,000	-	-	2,258,400,777	2,329,540,777	64.71%

Notes:

1. The approximate percentage was calculated on the basis of 3,600,000,000 Shares in issue as at the date of this report.

2. 490,476,000 Shares were held by Star Colour Investments Limited ("Star Colour"), a company wholly-owned by Mr. Zhou Min. Accordingly, Mr. Zhou Min is deemed to have interests in those Shares of Star Colour under the SFO.

3. 39,920,000 Shares were held by Long March Holdings Limited ("Long March"), a company wholly-owned by Mr. Zhao Kexi. Accordingly, Mr Zhao Kexi is deemed to have interests in those Shares of Long March under the SFO.

- 4. 48,960,000 Shares were held by Maolin Investments Limited ("MIL"), a company wholly-owned by Mr. Li Haifeng. Accordingly, Mr.Li Haifeng is deemed to have interests in those Shares of MIL under the SFO.
- 5. On 10 May 2022, BEWG, Beijing Holdings Limited ("BHL"),Star Colour, Long March, Zhihua Investments Limited ("Zhihua"), MIL, Mr. Li Haifeng, Mr. Zhou Chen and ZGC International Holding Limited ("ZGC International") (together referred to as the "Concert Parties") entered into an acting in concert agreement (the "AIC Agreement"). Pursuant to the AIC Agreement, the Concert Parties are acting in concert in respect of their interests in the Company and therefore each of the Concert Parties is deemed to be interested in all the Shares held by them in aggregate under the SFO. As at 31 December 2022, the Concert Parties were interested in an aggregate of 2,329,540,777 Shares of the Company, representing approximately 64.71% of the issued Share capital of the Company. Details of the AIC Agreement are set out in the announcement of the Company dated 10 May 2022.

Save as disclosed above, as at 31 December 2022, none of the Directors or chief executive of the Company had any interests or short positions in the Shares, the underlying shares or debentures of the Company or any of its associated corporations (within the meaning of Part XV of the SFO) as recorded in the register required to be kept under Section 352 of the SFO, or as otherwise notified to the Company and the Stock Exchange pursuant to the Model Code or the SFO.
### **DIRECTORS' RIGHTS TO ACQUIRE SHARES OR DEBENTURES**

At no time during the year ended 31 December 2022 were rights to acquire benefits by means of the acquisition of shares or shares in or debentures of the Company granted to any Director or their respective spouse or minor children, or were any such rights exercised by them; or was the Company or any of its subsidiaries a party to any arrangement to enable the Directors to acquire such rights in any other body corporate.

### **DIRECTORS' INTERESTS IN TRANSACTIONS, ARRANGEMENTS OR CONTRACTS**

Save as disclosed in note 8 and note 39 to the financial statements, no Directors nor a connected entity of a Director had a material interest, either directly or indirectly, in any transaction, arrangement or contract of significance to the business of the Group to which the Company or any of its subsidiaries was a party during the year ended 31 December 2022.

### **DIRECTORS' INTERESTS IN COMPETING BUSINESS**

None of the Directors nor their respective associates had an interest in a business, apart from the businesses of the Group, which competes or is likely to compete, either directly or indirectly, with the businesses of the Group pursuant to Rule 8.10 of the Listing Rules during the year ended 31 December 2022.

### SUBSTANTIAL SHAREHOLDERS' INTERESTS IN SHARES AND/OR UNDERLYING SHARES

As at 31 December 2022, so far as was known to the Directors and chief executive of the Company, the following persons (other than the Directors and chief executive of the Company as disclosed above) had an interest or short position in the Shares or underlying shares of the Company as recorded in the register required to be kept under Section 336 of the SFO:

### Long position in the Shares and/or underlying shares of the Company (to be updated)

Name of shareholders	Capacity in which Shares are held	Number of Shares held	Approximate percentage of the Company's issued Share capital (Note 1)
BEWG	Beneficial owner	1,478,312,777	41.06%
	Interests pursuant to the AIC Agreement	851,228,000	23.65%
	Total:	2,329,540,777	64.71%
Beijing Enterprises Environmental Construction Limited ("BE Environmental") <i>(Note 2)</i>	Interest of controlled corporation	2,329,540,777	64.71%
Beijing Enterprises Holdings Limited ("BEHL") (Note 3)	Interest of controlled corporation	2,329,540,777	64.71%
Modern Orient Limited ("MOL") (Note 4)	Interest of controlled corporation	2,329,540,777	64.71%
Beijing Enterprises Investments Limited ("BEIL") (Note 4)	Interest of controlled corporation	2,329,540,777	64.71%
Beijing Enterprises Group (BVI) Company Limited ("BE Group (BVI)") <i>(Note 5)</i>	Interest of controlled corporation	2,329,540,777	64.71%
BHL (Note 6)	Beneficial owner	40,000,000	1.11%
	Interests pursuant to the AIC Agreement	2,289,540,777	63.60%
	Total:	2,329,540,777	64.71%

Name of shareholders	Capacity in which Shares are held	Number of Shares held	Approximate percentage of the Company's issued Share capital (Note 1)
Beijing Enterprises Group Company Limited ("BEGCL") <i>(Note 7)</i>	Interest of controlled corporation	2,329,540,777	64.71%
Star Colour <i>(Note 8)</i>	Beneficial owner Interests pursuant to the AIC Agreement	490,476,000 1,839,064,777	13.62% 51.09%
	Total:	2,329,540,777	64.71%
Long March (Note 9)	Beneficial owner Interests pursuant to the AIC Agreement	39,920,000 2,289,620,777	1.11% 63.60%
	Total:	2,329,540,777	64.71%
MIL (Note 10)	Beneficial owner Interests pursuant to the AIC Agreement	48,960,000 2,280,580,777	1.36% 63.35%
	Total:	2,329,540,777	64.71%
Zhihua Investments Limited (Note 11)	Beneficial owner Interests pursuant to the AIC Agreement	97,920,000 2,231,620,777	2.72% 61.99%
Hu Xiaoyong <i>(Note 11)</i>	Interest of controlled corporation	2,329,540,777	64.71%
ZGC International (Note 12)	Beneficial owner Interests pursuant to the AIC Agreement	60,972,000 2,268,568,777	1.69% 63.02%
	Total:	2,329,540,777	64.71%
Zhongguancun Development Group Co., Ltd. ("ZGCDG") (Note 12)	Interest of controlled corporation	2,329,540,777	64.71%
Beijing Zhongguancun Development & Investment Center ("ZGCDIC") (Note 12)	Interest of controlled corporation	2,329,540,777	64.71%

Notes:

- 1. The approximate percentage was calculated on the basis of 3,600,000,000 Shares in issue as at the date of this report. Certain percentage figures included in this table have been subject to rounding adjustments.
- The interest disclosed comprises the Shares of the Company held or deemed to be held by BEWG. BEWG is directly held as to approximately 41.02% by BE Environmental. Accordingly, BE Environmental is deemed to be interested in the Shares of the Company held or deemed to be held by BEWG under the SFO.
- 3. The interest disclosed comprises the Shares of the Company held or deemed to be held by BEWG and such Shares are deemed to be interested by BE Environmental as detailed in Note 2 above. BE Environmental is a wholly-owned subsidiary of BEHL. Accordingly, BEHL is deemed to be interested in the Shares of the Company held or deemed to be held by BEWG (through BE Environmental) under the SFO.
- 4. The interest disclosed comprises the Shares of the Company held or deemed to be held by BEWG and such Shares are deemed to be interested by BEHL as detailed in Note 3 above. MOL, a wholly-owned subsidiary of BEIL, and BEIL are the immediate shareholders of BEHL and collectively hold approximately 20.93% of the issued share capital of BEHL. Each of MOL and BEIL is deemed to be interested in the Shares of the Company held or deemed to be held by BEWG (through BEHL) under the SFO.

- 5. The interest disclosed comprises the Shares of the Company held or deemed to be held by BEWG and such Shares are deemed to be interested by BEHL, BEIL and MOL as detailed in Notes 3 and 4 above. BEHL is held directly as to approximately 41.12% by BE Group (BVI). MOL is a wholly-owned subsidiary of BEIL, which is in turn directly held as to approximately 72.72% by BE Group (BVI). Accordingly, BE Group (BVI) is deemed to be interested in the Shares of the Company held or deemed to be held by BEWG (through BEIL, MOL and BEHL) under the SFO.
- 6. 40,000,000 Shares were held by BHL. Pursuant to the AIC Agreement, BHL, together with the Concert Parties, were interested in an aggregate of 2,329,540,777 Shares of the Company. BHL is wholly-owned by BEGCL.
- 7. The interest disclosed comprises the Shares of the Company held or deemed to be held by BEWG and such Shares are deemed to be interested by BE Group (BVI) and BHL as detailed in Notes 5 and 6 above. Both BE Group (BVI) and BHL are wholly-owned subsidiaries of BEGCL. Accordingly, BEGCL is deemed to be interested in the Shares of the Company held or deemed to be held by BEWG (through BE Group (BVI) and BHL) under the SFO.
- 8. 490,476,000 Shares were held by Star Colour. Pursuant to the AIC Agreement, Star Colour, together with the Concert Parties, were interested in an aggregate of 2,329,540,777 Shares of the Company. Star Colour is wholly-owned by Mr. Zhou Min, an executive Director of the Company. Accordingly, Mr. Zhou Min is deemed to be interested in the Shares of the Company held or deemed to be held by Star Colour under the SFO.
- 39,920,000 Shares were held by Long March. Pursuant to the AIC Agreement, Long March, together with the Concert Parties, were interested in an aggregate of 2,329,540,777 Shares of the Company. Long March is wholly-owned by Mr. Zhao Kexi, an executive Director of the Company. Accordingly, Mr. Zhao Kexi is deemed to be interested in the Shares of the Company held or deemed to be held by Long March under the SFO.
- 10. 48,960,000 Shares were held by MIL. Pursuant to the AIC Agreement, MIL, together with the Concert Parties, were interested in an aggregate of 2,329,540,777 Shares of the Company. MIL is wholly-owned by Mr. Li Haifeng, an executive Director of the Company. Accordingly, Mr. Li Haifeng is deemed to be interested in the Shares of the Company held or deemed to be held by MIL under the SFO.
- 11. 97,920,000 Shares were held by Zhihua. Pursuant to the AIC Agreement, Zhihua, together with the Concert Parties, were interested in an aggregate of 2,329,540,777 Shares of the Company. Zhihua is wholly-owned by Mr. Hu Xiaoyong. Accordingly, Mr. Hu Xiaoyong is deemed to be interested in the Shares of Company held or deemed to be held by Zhihua under the SFO.
- 12. 60,972,000 Shares were held by ZGC International. Pursuant to the AIC Agreement, ZGC International, together with the Concert Parties, were interested in an aggregate of 2,329,540,777 Shares of the Company. ZGC International is a wholly-owned subsidiary of ZGCDG, and ZGCDG is held directly as to approximately 45.37% by ZGCDIC. Accordingly, each of ZGCDG and ZGCDIC is deemed to be interested in the Shares of the Company held or deemed to be held by ZGC International under the SFO.

Save as disclosed above, as at 31 December 2022, the Company had not been notified by any persons (other than the Directors or the chief executive of the Company) who had interests or short positions in the Shares or underlying shares of the Company as recorded in the register required to be kept under Section 336 of the SFO.

### **MANAGEMENT CONTRACTS**

No contracts, other than employment contracts, concerning the management and administration of the whole or any substantial part of the business of the Company were entered into or existed during the year ended 31 December 2022.

### **CONTINUING CONNECTED TRANSACTIONS AND CONNECTED TRANSACTIONS**

The Group carried out the following continuing connected transactions (other than continuing connected transactions that are exempted under Rule 14A.33 of the Listing Rules) during the year ended 31 December 2022:

### 1. Framework Operating and Management Agreement

On 30 December 2021, Guangxi Guigang Beijing Enterprises Water Environmental Sanitation Services Limited\* (廣 西貴港北控水務環衛服務有限公司) ("Guigang Sanitation"), an indirectly wholly-owned subsidiary of the Company entered into a framework operating and management agreement (the "Framework Operating and Management Agreement") with Guangxi Guigang Beijing Enterprises Water Environmental Protection Limited\* (廣西貴港北控 水務環保有限公司) ("Guigang Environmental Protection"), which is indirectly owned as to 54.5% by BEWG as the single largest shareholder, pursuant to which Guigang Sanitation agreed to provide operating and management services in relation to the domestic waste treatment and transfer in certain areas of Guigang city, Guangxi Zhuang autonomous region, for a term commencing from 1 January 2022 to 31 December 2024. The annual cap amounts for the transactions under the Framework Operating and Management Agreement for the years ended 31 December 2022, 31 December 2023 and 31 December 2024 are RMB20.2 million, RMB21.2 million and RMB22.2 million, respectively.

### 2. Technical Service Agreement

On 30 December 2021, Beijing Enterprises Urban Services (Quannan) Limited\* (北控城市服務(全南)有限公司) ("BE Quannan"), an indirectly wholly-owned subsidiary of the Company entered into a technical service agreement (the "Technical Service Agreement") with Quannan BE Well-Point Environmental Science & Technology Limited\* (全南縣北控威保特環境科技有限公司) ("Quannan BE Well-Point"), which is indirectly owned as to 35.6% by BEWG, pursuant to which Hunan BE Well-Point agreed to provide technical services including landfill services and relevant maintenance of landfill facilities to BE Quannan at Quannan county, Jiangxi province, for a term commencing from 1 January 2022 to 31 December 2024. The annual cap amounts for the transactions under the Technical Service Agreement for the years ended 31 December 2022, 31 December 2023, and 31 December 2024 are RMB4.0 million, RMB4.0 million and RMB4.0 million, respectively.

### 3. Procurement Agreement

On 13 May 2022, Hubei Pingfu Environmental Technology Limited\* (湖北平福環境科技有限公司) ("Hubei Pingfu"), an indirectly wholly-owned subsidiary of the Company entered into a procurement agreement (the "Procurement Agreement") with Kunming Wuhua Beijing Enterprises Environmental Industry Development Company Limited\* (昆明五華北控環境產業發展有限公司) ("Kunming Wuhua"), which is indirectly owned as to 70% by BEWG, pursuant to which Kunming Wuhua agreed to procure electric trike vehicles and consumables in relation to environmental hygiene services from Hubei Pingfu, for a term commencing from 13 May 2022 to 31 December 2024. The annual cap amounts for the transactions under the Procurement Agreement for the years ended 31 December 2022, 31 December 2023 and 31 December 2024 are RMB8.2 million, RMB6.1 million and RMB6.1 million, respectively.

#### 4. Vehicle and Equipment Leasing Framework Agreement

On 13 May 2022, Beijing Enterprises Urban Environmental Services Group Limited\* (北控城市環境服務集團有限公司), an indirectly wholly-owned subsidiary of the Company entered into a vehicle and equipment leasing framework agreement (the "Vehicle and Equipment Leasing Framework Agreement") with Kunming Wuhua, which is indirectly owned as to 70% by BEWG, pursuant to which Kunming Wuhua agreed to lease vehicles and equipment to BE Environmental and its subsidiaries for a term commencing from 13 May 2022 to 31 December 2024. The annual cap amounts for the transactions under the Vehicle and Equipment Leasing Framework Agreement for the years ended 31 December 2022, 31 December 2023 and 31 December 2024 are RMB4.0 million, RMB3.1 million and RMB3.1 million, respectively.

Pursuant to Rule 14A.55 of the Listing Rules, the continuing connected transactions set out above have been reviewed by the INEDs, who confirmed that the aforesaid continuing connected transactions were entered into:

- (a) in the ordinary and usual course of business of the Group;
- (b) on normal commercial terms; and
- (c) in accordance with the relevant agreements governing them on terms that are fair and reasonable and in the interests of the shareholders of the Company as a whole.

The Company's auditors, Ernst & Young, were engaged to report on the Group's continuing connected transaction in accordance with Hong Kong Standard on Assurance Engagements 3000 (Revised) *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* and with reference to Practice Note 740 (Revised) *Auditor's Letter on Continuing Connected Transactions under the Listing Rules* issued by the Hong Kong Institute of Certified Public Accountants. Ernst & Young have issued their unqualified letter containing their findings and conclusions in respect of the continuing connected transactions disclosed above by the Group in accordance with Rule 14A.56 of the Listing Rules. A copy of the auditor's letter has been provided by the Company to the Stock Exchange.

Saved as disclosed above, there were no other transactions constituted connected transactions under the Listing Rules during the year ended 31 December 2022.

### SPECIFIC PERFORMANCE OBLIGATIONS ON CONTROLLING SHAREHOLDER

As at the date of this report, details of the facility agreements (the "Facility Agreement(s)") with covenants relating to specific performance of the controlling shareholder which constituted disclosure obligations pursuant to Rules 13.18 and 13.21 of the Listing Rules are as follows:

Date of the Facility Agreement(s)	Nature of the Facility Agreement(s)	Aggregate amount (HK\$' million)	Final Maturity	Specific Performance Obligations
16 September 2020	Term loan facility with a bank	400	15 September 2023	(i), (ii), (iii), (i∨)
16 June 2021	Term loan facility with a bank	300	15 June 2024	(i), (ii), (iii), (i∨)
2 September 2021	Term loan facility with a bank	200	1 September 2024	(i), (ii), (iii), (iv)
3 December 2021	Term loan facility with a bank	150	2 December 2023	(i), (ii), (iii), (i∨)
22 September 2022	Term loan facility with a bank	300	21 September 2025	(i), (ii), (iii), (∨)

According to the respective terms and conditions of the Facility Agreement(s), breach of one of the following specific performance obligations will constitute an event of default:

- BEGCL is effectively wholly-owned, supervised and/or controlled by The People's Government of Beijing Municipality\* (北京市人民政府國有資產監督管理委員會);
- (ii) BEGCL (and/or as may be through its subsidiary or subsidiaries) collectively is BEHL's indirect single largest shareholder with at least 40% effective interest in BEHL's issued ordinary share capital;
- (iii) BEHL (and/or as may be through its subsidiary or subsidiaries) collectively is BEWG's indirect single largest shareholder with at least 35% effective interest in BEWG's issued ordinary share capital;
- (iv) BEWG (and/or as may be through its subsidiary or subsidiaries) collectively is the Company's indirect single largest shareholder with at least 25% effective interest in the Company's issued ordinary share capital; and
- (v) BEWG (and/or as may be through its subsidiary or subsidiaries) collectively is the Company's indirect single largest shareholder with at least 30% effective interest in the Company's issued ordinary share capital.

If an event of default occurs, the bank(s) may, by notice to the Company, cancel the Facility Agreement(s), and/or declare all outstanding amounts together with interest and all others amounts accrued to be immediately due and payable and/or payable on demand.

### **RELATED PARTY TRANSACTIONS**

The Group entered into certain activities with parties regarded as "Related Parties" under applicable accounting principles.

These mainly relate to the activities in the ordinary course of the Group's business and were negotiated on normal commercial terms and an arm's length basis. Certain transactions set out in note 39 to the financial statements are connected transactions or continuing connected transactions as defined under the Listing Rules and were exempted and complied with the requirements of Chapter 14A of the Listing Rules. The disclosures required by Rule 14A.71 of the Listing Rules during the year ended 31 December 2022 are provided in the section headed "Connected Transactions" of this annual report.

### SUFFICIENCY OF PUBLIC FLOAT

Based on information that is publicly available to the Company and within the knowledge of the Directors, the Company has maintained the prescribed amount of public float as required under the Listing Rules as at the date of this report.

### **CORPORATE GOVERNANCE**

The Company focuses on maintaining high standards of corporate governance in order to achieve sustainable development and enhance corporate performance. In the opinion of the Board, throughout the year ended 31 December 2022, save for the deviation as described below, the Company has complied with all the applicable code provisions of the CG Code as set out in Appendix 14 of the Listing Rules.

The code provision F.2.2 provides that, among others, the chairman of the board should attend the annual general meeting of the listed issuer. In the annual general meeting of the Company held on 7 June 2022 (the "2022 AGM"), Mr. Zhou Min, the Chairman of the Board, did not chair the meeting due to other essential business engagements. In order to ensure smooth holding of the 2022 AGM, Mr. Zhou authorized and the Directors attending the meeting elected Mr. Wu Tak Kong, an independent non-executive director and the chairman of Audit Committee of the Company, to chair the meeting. Respective chairmen or representatives of the audit, remuneration and nomination committee of the Company were present at the 2022 AGM and were available to answer relevant questions, which was in compliance with other part of code provision F.2.2.

The Corporate Governance Report is set out in pages 15 to 25 of this annual report.

### **COMPLIANCE WITH THE MODEL CODE FOR DIRECTORS' SECURITIES TRANSACTIONS**

Throughout the year ended 31 December 2022, the Company has adopted the Model Code as set out in Appendix 10 of the Listing Rules as the Company's code of conduct for dealings in securities of the Company by the Directors. Having made specific enquiries to all Directors, all Directors have confirmed that they have complied with the required standard set out in the Model Code.

### AUDITOR

The consolidated financial statements of the Group for the year ended 31 December 2022 have been audited by Ernst & Young, who will retire and, being eligible, offer themselves for re-appointment at the AGM. A resolution will be proposed at the AGM for the re-appointment of Ernst & Young as auditor of the Company.

### **EVENT AFTER THE REPORTING PERIOD**

There was no significant event affecting the Group after 31 December 2022 and up to the date of this annual report.

### **APPROVAL OF THE FINANCIAL STATEMENTS**

The consolidated financial statements of the Group for the year ended 31 December 2022 were approved by the Board on 29 March 2023.

On behalf of the Board

**Zhou Min** *Chairman* 

29 March 2023

#### To the shareholders of Beijing Enterprises Urban Resources Group Limited

(Incorporated in the Cayman Islands with limited liability)

### **OPINION**

We have audited the consolidated financial statements of Beijing Enterprises Urban Resources Group Limited (the "Company") and its subsidiaries (the "Group") set out on pages 46 to 119, which comprise the consolidated statement of financial position as at 31 December 2022, and the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 December 2022, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the disclosure requirements of the Hong Kong Companies Ordinance.

### **BASIS FOR OPINION**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report. We are independent of the Group in accordance with the HKICPA's *Code of Ethics for Professional Accountants* (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the *Auditor's responsibilities for the audit of the consolidated financial statements* section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

### **KEY AUDIT MATTERS** (Continued)

### Key audit matter

How our audit addressed the key audit matter

#### Goodwill impairment assessment

acquisitions.

environmental hygiene business and hazardous waste assessed the disclosures on the impairment testing, the present values.

The assumptions and methodologies used by the Group, including the waste treatment fee and service fee received, operating costs, capital expenditures, growth rates and discount rates, in the projected cash flows had significant effects on the determination of the recoverable amounts of the relevant cash-generating units.

We identified the goodwill impairment assessment as a key audit matter because of the significant balance of goodwill and significant management judgement and estimation involved.

Related disclosures are included in notes 2.4, 3 and 15 to the financial statements.

### **OTHER INFORMATION INCLUDED IN THE ANNUAL REPORT**

The directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, other than the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

The Group acquired certain companies engaging in We involved our internal valuation specialists to assist environmental hygiene business and hazardous waste us in evaluating the valuation models, assumptions and treatment business in prior years and an aggregate parameters used by the Group, giving particular attention to goodwill of approximately HK\$283 million arose from these the estimated future revenues and results. Our procedures included testing the assumptions used in the cash flow forecast, assessing the accuracy of previous forecasts The recoverable amounts of the relevant businesses were by comparing them with the current performance, and determined based on the values in use of the Group's evaluating the growth and trading assumptions. We then treatment business, which were determined based on the and specifically the key assumptions that have the most future cash flows of the environmental hygiene business significant effect on the determination of the recoverable and hazardous waste treatment business and discounted to amount of goodwill, such as the discount rates and growth rates.

### **RESPONSIBILITIES OF THE DIRECTORS FOR THE CONSOLIDATED FINANCIAL STATEMENTS**

The directors of the Company are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the disclosure requirements of the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors of the Company are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Company either intend to liquidate the Group or to cease operations or have no realistic alternative but to do so.

The directors of the Company are assisted by the Audit Committee in discharging their responsibilities for overseeing the Group's financial reporting process.

# AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
  resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional
  omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

### AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Audit Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Audit Committee with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the Audit Committee, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is LEUNG, Yin.

Notes:

# Wholly-foreign-owned enterprises under PRC law

- <sup>®</sup> Chinese-Foreign Equity Joint Venture enterprises under PRC law
- \* These entities are accounted for as subsidiaries by virtue of the Company's control over them through non-wholly-owned subsidiaries.

<sup>&</sup> Newly set up in 2022

The English names of the PRC entities represent the best effort made by management of the Company to directly translate the Chinese names of these entities as they do not register any official English names.

The above table lists the subsidiaries of the Company which, in the opinion of the directors, principally affected the results for the year or formed a substantial portion of the net assets of the Group. To give details of other subsidiaries would, in the opinion of the directors, result in particulars of excessive length.

31 December 2022

### 2.1 BASIS OF PREPARATION

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") (which include all Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA"), accounting principles generally accepted in Hong Kong and the disclosure requirements of the Hong Kong Companies Ordinance. They have been prepared under the historical cost convention, except for equity investment which has been measured at fair value. These financial statements are presented in Hong Kong dollars ("HK\$") and all values are rounded to the nearest thousand except when otherwise indicated.

#### **Basis of consolidation**

The consolidated financial statements include the financial statements of the Company and its subsidiaries for the year ended 31 December 2022. A subsidiary is an entity (including a structured entity), directly or indirectly, controlled by the Company. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee (i.e., existing rights that give the Group the current ability to direct the relevant activities of the investee).

Generally, there is a presumption that a majority of voting rights results in control. When the Company has, directly or indirectly, less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- (a) the contractual arrangement with the other vote holders of the investee;
- (b) rights arising from other contractual arrangements; and
- (c) the Group's voting rights and potential voting rights.

The financial statements of the subsidiaries are prepared for the same reporting period as the Company, using consistent accounting policies. The results of subsidiaries are consolidated from the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Profit or loss and each component of other comprehensive income are attributed to the owners of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control described above. A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction.

If the Group loses control over a subsidiary, it derecognises (i) the assets (including goodwill) and liabilities of the subsidiary, (ii) the carrying amount of any non-controlling interest and (iii) the cumulative translation differences recorded in equity; and recognises (i) the fair value of the consideration received, (ii) the fair value of any investment retained and (iii) any resulting surplus or deficit in profit or loss. The Group's share of components previously recognised in other comprehensive income is reclassified to profit or loss or retained profits, as appropriate, on the same basis as would be required if the Group had directly disposed of the related assets or liabilities.

31 December 2022

### 2.2 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

The Group has adopted the following revised HKFRSs for the first time for the current year's financial statements.

Amendments to HKFRS 3 Amendments to HKAS 16 Amendments to HKAS 37 Annual Improvements to HKFRSs 2018-2020 Reference to the Conceptual Framework Property, Plant and Equipment: Proceeds before Intended Use Onerous Contracts – Cost of Fulfilling a Contract Amendments to HKFRS 1, HKFRS 9, Illustrative Examples accompanying HKFRS 16, and HKAS 41

The nature and the impact of the revised HKFRSs that are applicable to the Group are described below:

- (a) Amendments to HKFRS 3 replace a reference to the previous Framework for the Preparation and Presentation of Financial Statements with a reference to the Conceptual Framework for Financial Reporting (the "Conceptual Framework") issued in June 2018 without significantly changing its requirements. The amendments also add to HKFRS 3 an exception to its recognition principle for an entity to refer to the Conceptual Framework to determine what constitutes an asset or a liability. The exception specifies that, for liabilities and contingent liabilities that would be within the scope of HKAS 37 or HK(IFRIC)-Int 21 if they were incurred separately rather than assumed in a business combination, an entity applying HKFRS 3 should refer to HKAS 37 or HK(IFRIC)-Int 21 respectively instead of the Conceptual Framework. Furthermore, the amendments clarify that contingent assets do not qualify for recognition at the acquisition date. The Group has applied the amendments prospectively to business combinations that occurred on or after 1 January 2022. As there were no business combinations during the year, the amendments did not have any impact on the financial position and performance of the Group.
- (b) Amendments to HKAS 16 prohibit an entity from deducting from the cost of an item of property, plant and equipment any proceeds from selling items produced while bringing that asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Instead, an entity recognises the proceeds from selling any such items, and the cost of those items as determined by HKAS 2 *Inventories*, in profit or loss. The Group has applied the amendments retrospectively to items of property, plant and equipment made available for use on or after 1 January 2021. Since there was no sale of items produced prior to the property, plant and equipment being available for use, the amendments did not have any impact on the financial position or performance of the Group.
- (c) Amendments to HKAS 37 clarify that for the purpose of assessing whether a contract is onerous under HKAS 37, the cost of fulfilling the contract comprises the costs that relate directly to the contract. Costs that relate directly to a contract include both the incremental costs of fulfilling that contract (e.g., direct labour and materials) and an allocation of other costs that relate directly to fulfilling that contract (e.g., an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract as well as contract management and supervision costs). General and administrative costs do not relate directly to a contract and are excluded unless they are explicitly chargeable to the counterparty under the contract. The Group has applied the amendments prospectively to contracts for which it has not yet fulfilled all its obligations at 1 January 2022 and no onerous contracts were identified. Therefore, the amendments did not have any impact on the financial position or performance of the Group.

31 December 2022

### 2.2 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES (Continued)

(d) Annual Improvements to HKFRSs 2018-2020 sets out amendments to HKFRS 1, HKFRS 9, Illustrative Examples accompanying HKFRS 16, and HKAS 41. Details of the amendment that is applicable to the Group are as follows:

HKFRS 9 *Financial Instruments*: clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability. These fees include only those paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf. The Group has applied the amendment prospectively from 1 January 2022. As there was no modification or exchange of the Group's financial liabilities during the year, the amendment did not have any impact on the financial position or performance of the Group.

### 2.3 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS

The Group has not applied the following new and revised HKFRSs, that have been issued but are not yet effective, in these financial statements.

Amendments to HKFRS 10 and HKAS 28 (2011)	Sale or Contribution of Assets between an Investor and its Associate or Joint Venture <sup>3</sup>
Amendments to HKFRS 16	Lease Liability in a Sale and Leaseback <sup>2</sup>
HKFRS 17	Insurance Contracts <sup>1</sup>
Amendments to HKFRS 17	Insurance Contracts <sup>1,5</sup>
Amendment to HKFRS 17	Initial application of HKFRS 17 and HKFRS 9 – Comparative Information <sup>6</sup>
Amendments to HKAS 1	Classification of Liabilities as Current or Non-current (the "2020 Amendments") <sup>2,4</sup>
Amendments to HKAS 1	Non-current Liabilities with Covenants (the "2022 Amendments") <sup>2</sup>
Amendments to HKAS 1 and HKFRS Practice Statement 2	Disclosure of Accounting Policies <sup>1</sup>
Amendments to HKAS 8	Definition of Accounting Estimates <sup>1</sup>
Amendments to HKAS 12	Deferred Tax related to Assets and Liabilities arising from a Single Transaction <sup>1</sup>
<sup>1</sup> Effective for annual periods beginning or	n or after 1 January 2023

- <sup>2</sup> Effective for annual periods beginning on or after 1 January 2024
- <sup>3</sup> No mandatory effective date yet determined but available for adoption
- <sup>4</sup> As a consequence of the 2022 Amendments, the effective date of the 2020 Amendments was deferred to annual periods beginning on or after 1 January 2024. In addition, as a consequence of the 2020 Amendments and 2022 Amendments, Hong Kong Interpretation 5 *Presentation of Financial Statements – Classification by the Borrower of a Term Loan that Contains a Repayment on Demand Clause* was revised to align the corresponding wording with no change in conclusion
- <sup>5</sup> As a consequence of the amendments to HKFRS 17 issued in October 2020, HKFRS 4 was amended to extend the temporary exemption that permits insurers to apply HKAS 39 rather than HKFRS 9 for annual periods beginning before 1 January 2023
- <sup>6</sup> An entity that chooses to apply the transition option relating to the classification overlay set out in this amendment shall apply it on initial application of HKFRS 17

31 December 2022

### 2.3 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS

#### (Continued)

Further information about those HKFRSs that are expected to be applicable to the Group is described below.

Amendments to HKFRS 10 and HKAS 28 (2011) address an inconsistency between the requirements in HKFRS 10 and in HKAS 28 (2011) in dealing with the sale or contribution of assets between an investor and its associate or joint venture. The amendments require a full recognition of a gain or loss resulting from a downstream transaction when the sale or contribution of assets between an investor and its associate or joint venture constitutes a business. For a transaction involving assets that do not constitute a business, a gain or loss resulting from the transaction is recognised in the investor's profit or loss only to the extent of the unrelated investor's interest in that associate or joint venture. The amendments are to be applied prospectively. The previous mandatory effective date of amendments to HKFRS 10 and HKAS 28 (2011) was removed by the HKICPA in January 2016 and a new mandatory effective date will be determined after the completion of a broader review of accounting for associates and joint ventures. However, the amendments are available for adoption now.

Amendments to HKFRS 16 specify the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right of use it retains. The amendments are effective for annual periods beginning on or after 1 January 2024 and shall be applied retrospectively to sale and leaseback transactions entered into after the date of initial application of HKFRS 16 (i.e., 1 January 2019). Earlier application is permitted. The amendments are not expected to have any significant impact on the Group's financial statements.

Amendments to HKAS 1 *Classification of Liabilities as Current or Non-current* clarify the requirements for classifying liabilities as current or non-current, in particular the determination over whether an entity has a right to defer settlement of the liabilities for at least 12 months after the reporting period. Classification of a liability is unaffected by the likelihood that the entity will exercise its right to defer settlement of the liability. The amendments also clarify the situations that are considered a settlement of a liability. In 2022, the HKICPA issued the 2022 Amendments to further clarify that, among covenants of a liability arising from a loan arrangement, only those with which an entity must comply on or before the reporting date affect the classification of that liability as current or non-current. In addition, the 2022 Amendments require additional disclosures by an entity that classifies liabilities arising from loan arrangements as non-current when it has a right to defer settlement of those liabilities that are subject to the entity complying with future covenants within 12 months after the reporting period. The amendments are effective for annual periods beginning on or after 1 January 2024 and shall be applied retrospectively. Earlier application is permitted. An entity that applies the 2020 Amendments early is required to apply simultaneously the 2022 Amendments, and vice versa. The Group is currently assessing the impact of the amendments are not expected to have any significant impact on the Group's financial statements.

Amendments to HKAS 1 *Disclosure of Accounting Policies* require entities to disclose their material accounting policy information rather than their significant accounting policies. Accounting policy information is material if, when considered together with other information included in an entity's financial statements, it can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements. Amendments to HKFRS Practice Statement 2 provide non-mandatory guidance on how to apply the concept of materiality to accounting policy disclosures. Amendments to HKAS 1 are effective for annual periods beginning on or after 1 January 2023 and earlier application is permitted. Since the guidance provided in the amendments to HKFRS Practice Statement 2 is non-mandatory, an effective date for these amendments is not necessary. The Group is currently revisiting the accounting policy disclosures to ensure consistency with the amendments.

31 December 2022

### 2.3 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS

### (Continued)

Amendments to HKAS 8 clarify the distinction between changes in accounting estimates and changes in accounting policies. Accounting estimates are defined as monetary amounts in financial statements that are subject to measurement uncertainty. The amendments also clarify how entities use measurement techniques and inputs to develop accounting estimates. The amendments are effective for annual reporting periods beginning on or after 1 January 2023 and apply to changes in accounting policies and changes in accounting estimates that occur on or after the start of that period. Earlier application is permitted. The amendments are not expected to have any significant impact on the Group's financial statements.

Amendments to HKAS 12 narrow the scope of the initial recognition exception in HKAS 12 so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences, such as leases and decommissioning obligations. Therefore, entities are required to recognise a deferred tax asset (provided that sufficient taxable profit is available) and a deferred tax liability for temporary differences arising from these transactions. The amendments are effective for annual reporting periods beginning on or after 1 January 2023 and shall be applied to transactions related to leases and decommissioning obligations at the beginning of the earliest comparative period presented, with any cumulative effect recognised as an adjustment to the opening balance of retained profits or other component of equity as appropriate at that date. In addition, the amendments shall be applied prospectively to transactions other than leases and decommissioning obligations. Earlier application is permitted.

The Group has applied the initial recognition exception and did not recognise a deferred tax asset and a deferred tax liability for temporary differences for transactions related to leases. Upon initial application of these amendments, the Group will recognise deferred tax for all temporary differences related to leases at the beginning of the earliest comparative period presented. During the year, the Group has performed a detailed assessment on the impact of amendments to HKAS 12. The Group has estimated that it will recognise a deferred tax asset of HK\$41,743,000 for deductible temporary differences associated with lease liabilities and a deferred tax liability of HK\$30,939,000 for taxable temporary differences associated with right-of-use assets, and recognise the cumulative effect of initially applying the amendments as an adjustment to retained profits at 1 January 2022.

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Investment in a joint venture

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

The Group's investment in a joint venture is stated in the consolidated statement of financial position at the Group's share of net assets under the equity method of accounting, less any impairment losses. Adjustments are made to bring into line any dissimilar accounting policies that may exist.

The Group's share of the post-acquisition results and other comprehensive income of a joint venture is included in the consolidated statement of profit or loss and other comprehensive income, respectively. In addition, when there has been a change recognised directly in the equity of the joint venture, the Group recognises its share of any changes, when applicable, in the consolidated statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and its joint venture are eliminated to the extent of the Group's investment in the joint venture, except where unrealised losses provide evidence of an impairment of the assets transferred. Goodwill arising from the acquisition of joint venture is included as part of the Group's investment in a joint venture.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### **Investment in a joint venture** (Continued)

If an investment in a joint venture becomes an investment in an associate or vice versa, the retained interest is not remeasured. Instead, the investment continues to be accounted for under the equity method. In all other cases, upon loss of significant influence over the associate or joint control over the joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

#### **Business combinations and goodwill**

Business combinations not under common control are accounted for using the acquisition method. The consideration transferred is measured at the acquisition date fair value which is the sum of the acquisition date fair values of assets transferred by the Group, liabilities assumed by the Group to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree that are present ownership interests and entitle their holders to a proportionate share of net assets. All other components of non-controlling interests are measured at fair value. Acquisition-related costs are expensed as incurred.

The Group determines that it has acquired a business when the acquired set of activities and assets includes an input and a substantive process that together significantly contribute to the ability to create outputs.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts of the acquiree.

If the business combination is achieved in stages, the previously held equity interest is remeasured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability is measured at fair value with changes in fair value recognised in profit or loss. Contingent consideration that is classified as equity is not remeasured and subsequent settlement is accounted for within equity.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred, the amount recognised for non-controlling interests and any fair value of the Group's previously held equity interests in the acquiree over the identifiable assets acquired and liabilities assumed. If the sum of this consideration and other items is lower than the fair value of the net assets acquired, the difference is, after reassessment, recognised in profit or loss as a gain on bargain purchase.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is tested for impairment annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired. The Group performs its annual impairment test of goodwill as at 31 December. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units, or groups of cash-generating units, that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the Group are assigned to those units or groups of units.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Business combinations and goodwill (Continued)

Impairment is determined by assessing the recoverable amount of the cash-generating unit (group of cashgenerating units) to which the goodwill relates. Where the recoverable amount of the cash-generating unit (group of cash-generating units) is less than the carrying amount, an impairment loss is recognised. An impairment loss recognised for goodwill is not reversed in a subsequent period.

Where goodwill has been allocated to a cash-generating unit (or group of cash-generating units) and part of the operation within that unit is disposed of, the goodwill associated with the operation disposed of is included in the carrying amount of the operation when determining the gain or loss on the disposal. Goodwill disposed of in these circumstances is measured based on the relative value of the operation disposed of and the portion of the cash-generating unit retained.

#### Service concession arrangements

The Group has entered into a number of service concession arrangements with the grantors.

Under these service concession arrangements:

- the grantors control or regulate the services that the Group must provide with the infrastructure, to whom it must provide, and at what price; and
- the grantors control, through ownership, beneficial entitlement or otherwise, any significant residual interest in the infrastructure at the end of the term of the arrangement, the infrastructure that is used for its entire useful life under the arrangements, or both the Group's practical ability to sell or pledge the infrastructure restricted and continuing right of use of the infrastructure which is given to the grantors throughout the period of the arrangements. The Group is obligated to hand over the infrastructure to the grantors at the end of the operating concession periods.

#### **Consideration given by the grantor**

A financial asset (receivable under a service concession arrangement) is recognised to the extent that (a) the Group has an unconditional right to receive cash or another financial asset from or at the direction of the grantor for the construction services rendered and/or the consideration paid and payable by the Group for the right to manage and operate the infrastructure for public service. The Group has an unconditional right to receive cash or another financial asset if only the passage of time is required before payment of that consideration is due and the grantor contractually guarantees to pay the Group (a) specified or determinable amounts or (b) the shortfall, if any, between amounts received from users of the public service and specified or determinable amounts, even if the payment is contingent on the Group ensuring that the infrastructure meets the specified quality of efficiency requirements. The financial asset (receivable under a service concession arrangement) is accounted for in accordance with the policy set out for "Investments and other financial assets" below.

An intangible asset (concession right) is recognised to the extent that the Group receives a right to charge users of the public service. The intangible asset (concession right) is stated at cost (i.e., consideration paid to grantors) less accumulated amortisation and any accumulated impairment losses. Amortisation is provided on a straight-line basis over the operation phase of the concession periods.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Service concession arrangements (Continued)

### **Construction services**

Revenue relating to the construction services is accounted for in accordance with the policy for "Revenue recognition" below.

#### **Operating services**

Revenue relating to the provision of environmental hygiene services is accounted for in accordance with the policy for "Revenue recognition" below.

#### Fair value measurement

The Group measures its equity investment at fair value at the end of each reporting period. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 based on quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 based on valuation techniques for which the lowest level input that is significant to the fair value measurement is observable, either directly or indirectly
- Level 3 based on valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued) Impairment of non-financial assets

Where an indication of impairment exists, or when annual impairment testing for an asset is required (other than deferred tax assets, inventories, other tax recoverable, contract assets and financial assets), the asset's recoverable amount is estimated. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs. In testing a cash-generating unit for impairment, a portion of the carrying amount of a corporate asset (e.g., a headquarters building) is allocated to an individual cash-generating unit if it can be allocated on a reasonable and consistent basis or, otherwise, to the smallest group of cash-generating units.

An impairment loss is recognised only if the carrying amount of an asset exceeds its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. An impairment loss is charged to profit or loss in the period in which it arises in those expense categories consistent with the function of the impaired asset.

An assessment is made at the end of each reporting period as to whether there is an indication that previously recognised impairment losses may no longer exist or may have decreased. If such an indication exists, the recoverable amount is estimated. A previously recognised impairment loss of an asset other than goodwill is reversed only if there has been a change in the estimates used to determine the recoverable amount of that asset, but not to an amount higher than the carrying amount that would have been determined (net of any depreciation/ amortisation) had no impairment loss been recognised for the asset in prior years. A reversal of such an impairment loss is credited to profit or loss in the period in which it arises.

#### **Related parties**

A party is considered to be related to the Group if:

- (a) the party is a person or a close member of that person's family and that person
  - (i) has control or joint control over the Group;
  - (ii) has significant influence over the Group; or
  - (iii) is a member of the key management personnel of the Group or of a parent of the Group;

or

- (b) the party is an entity where any of the following conditions applies:
  - (i) the entity and the Group are members of the same group;
  - (ii) one entity is an associate or joint venture of the other entity (or of a parent, subsidiary or fellow subsidiary of the other entity);
  - (iii) the entity and the Group are joint ventures of the same third party;
  - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
  - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Group or an entity related to the Group;
  - (vi) the entity is controlled or jointly controlled by a person identified in (a);
  - (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); and
  - (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Group or to the parent of the Group.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued) Property, plant and equipment and depreciation

Property, plant and equipment, other than construction in progress, are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use.

Expenditure incurred after items of property, plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to the statement of profit or loss in the period in which it is incurred. In situations where the recognition criteria are satisfied, the expenditure for a major inspection is capitalised in the carrying amount of the asset as a replacement. Where significant parts of property, plant and equipment are required to be replaced at intervals, the Group recognises such parts as individual assets with specific useful lives and depreciates them accordingly.

Depreciation is calculated on the straight-line basis to write off the cost of each item of property, plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Buildings	20 to 40 years
Plant and machinery	5 to 10 years
Leasehold improvements	Over the shorter of the lease terms and 3 to 8
Furniture, fixtures and equipment	3 to 5 years
Motor vehicles	3 to 8 years

Where parts of an item of property, plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately. Residual values, useful lives and depreciation method are reviewed, and adjusted if appropriate, at each financial year end.

An item of property, plant and equipment including any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in profit or loss in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

Construction in progress represents buildings under construction, which are stated at cost less any impairment losses, and are not depreciated. Cost comprises the direct costs of construction and capitalised borrowing costs on related borrowed funds during the period of construction. Construction in progress is reclassified to the appropriate category of property, plant and equipment when completed and ready for use.

vears
31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets. At inception or on reassessment of a contract that contains a lease component and non-lease component(s), the Group adopts the practical expedient not to separate non-lease component(s) and to account for the lease component and the associated non-lease component(s) (e.g., property management services for leases of properties) as a single lease component.

#### (a) Right-of-use assets

Right-of-use assets are recognised at the commencement date of the lease (that is the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and any impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the estimated useful life and the lease term as follows:

Buildings	2 to 15 years
Motor vehicles	2 to 15 years
Leasehold land	34 to 50 years

If ownership of the leased asset transfers to the Group by the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

#### (b) Lease liabilities

Lease liabilities are recognised at the commencement date of the lease at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for termination of a lease, if the lease term reflects the Group exercising the option to terminate the lease. The variable lease payments that do not depend on an index or a rate are recognised as an expense in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset.

The Group's lease liabilities are included in "Other payables and accruals".

### (c) Short-term leases

The Group applies the short-term lease recognition exemption to its short-term leases of offices and motor vehicles (that is those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Intangible assets (other than goodwill)

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is the fair value at the date of acquisition. The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are subsequently amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at each financial year end.

#### **Operating concessions**

Operating concessions representing the rights to provide environmental hygiene services and the rights of use of motor vehicles. Amortisation is provided on the straight-line basis over the respective periods of the operating concessions granted to the Group of 15 to 25 years or the estimated useful lives of motor vehicles of 3 to 8 years, as appropriate.

#### **Computer software**

Computer software is stated at cost less accumulated amortisation and any accumulated impairment losses. Amortisation is provided on the straight-line basis over the estimated useful life of 5 to 10 years, as appropriate.

#### Investments and other financial assets

#### Initial recognition and measurement

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income, and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient of not adjusting the effect of a significant financing component, the Group initially measures a financial asset at its fair value, plus in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under HKFRS 15 in accordance with the policies set out for "Revenue recognition" below.

In order for a financial asset to be classified and measured at amortised cost or fair value through other comprehensive income, it needs to give rise to cash flows that are solely payments of principal and interest ("SPPI") on the principal amount outstanding. Financial assets with cash flows that are not SPPI are classified and measured at fair value through profit or loss, irrespective of the business model.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortised cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows, while financial assets classified and measured at fair value through other comprehensive income are held within a business model with the objective of both holding to collect contractual cash flows and selling. Financial assets which are not held within the aforementioned business models are classified and measured at fair value through profit or loss.

All regular way purchases and sales of financial assets are recognised on the trade date, that is, the date that the Group commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the marketplace.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments and other financial assets (Continued)

### Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

#### Financial assets at amortised cost (debt instruments)

Financial assets at amortised cost are subsequently measured using the effective interest method and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

#### Financial assets designated at fair value through other comprehensive income (equity investments)

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity investments designated at fair value through other comprehensive income when they meet the definition of equity under HKAS 32 *Financial Instruments: Presentation* and are not held for trading. The classification is determined on an instrument-by-instrument basis.

Gains and losses on these financial assets are never recycled to the statement of profit or loss. Dividends are recognised as other income in profit or loss when the right of payment has been established, it is probable that the economic benefits associated with the dividend will flow to the Group and the amount of the dividend can be measured reliably, except when the Group benefits from such proceeds as a recovery of part of the cost of the financial asset, in which case, such gains are recorded in other comprehensive income. Equity investments designated at fair value through other comprehensive income are not subject to impairment assessment.

### **Derecognition of financial assets**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Group's consolidated statement of financial position) when:

- the rights to receive cash flows from the asset have expired; or
- the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risk and rewards of ownership of the asset. When it has neither transferred nor retained substantially all the risks and rewards of the asset nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

31 December 2022

## 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Impairment of financial assets

The Group recognises an allowance for expected credit losses ("ECLs") for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

#### **General approach**

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

At each reporting date, the Group assesses whether the credit risk on a financial instrument has increased significantly since initial recognition. When making the assessment, the Group compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition and considers reasonable and supportable information that is available without undue cost or effort, including historical and forward-looking information. The Group considers that there has been a significant increase in credit risk when contractual payments are more than 30 days past due.

The Group considers a financial asset in default when contractual payments are 180 days past due. The Group has rebutted the 90 days past due presumption of default based on reasonable and supportable information, including the Group's credit risk control practices and the historical recovery rate of financial assets over 90 days past due. However, the Group may also consider a financial asset to be in default when internal or external information indicates that the Group is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Group.

A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Financial assets at amortised cost are subject to impairment under the general approach and they are classified within the following stages for measurement of ECLs except for trade receivables, receivables under service concession arrangements and contract assets which apply the simplified approach as detailed below.

- Stage 1 Financial instruments for which credit risk has not increased significantly since initial recognition and for which the loss allowance is measured at an amount equal to 12-month ECLs
- Stage 2 Financial instruments for which credit risk has increased significantly since initial recognition but that are not credit-impaired financial assets and for which the loss allowance is measured at an amount equal to lifetime ECLs
- Stage 3 Financial assets that are credit-impaired at the reporting date (but that are not purchased or originated credit-impaired) and for which the loss allowance is measured at an amount equal to lifetime ECLs

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Impairment of financial assets (Continued)

### Simplified approach

For trade receivables, receivables under service concession arrangements and contract assets that do not contain a significant financing component or when the Group applies the practical expedient of not adjusting the effect of a significant financing component, the Group applies the simplified approach in calculating ECLs. Under the simplified approach, the Group does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Group has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

For trade receivables, receivables under service concession arrangements and contract assets that contain a significant financing component and lease receivables, the Group chooses as its accounting policy to adopt the simplified approach in calculating ECLs with policies as described above.

#### **Financial liabilities**

#### Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as payables, loans and borrowings. All financial liabilities are recognised initially at fair value and, in the case of payables, loans and borrowings, net of directly attributable transaction costs.

The Group's financial liabilities include trade and bills payables, other payables, amounts due to non-controlling shareholders and related companies and interest-bearing bank and other borrowings.

#### Subsequent measurement - loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost, using the effective interest rate method unless the effect of discounting would be immaterial, in which case they are stated at cost. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the effective interest rate amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortisation is included in finance costs in profit or loss.

#### **Derecognition of financial liabilities**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled, or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and a recognition of a new liability, and the difference between the respective carrying amounts is recognised in profit or loss.

#### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

### **Inventories**

Inventories are stated at the lower of cost and net realisable value. Cost is determined on the weighted average basis and, in the case of work in progress and finished goods, comprises direct materials, direct labour and an appropriate proportion of overheads. Net realisable value is based on estimated selling prices less any estimated costs to be incurred to completion and disposal.

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. Contract assets are subject to impairment assessment, details of which are included in the accounting policies for impairment of financial assets.

#### **Contract liabilities**

A contract liability is recognised when a payment is received or a payment is due (whichever is earlier) from a customer before the Group transfers the related goods or services. Contract liabilities are recognised as revenue when the Group performs under the contract (i.e., transfers control of the related goods or services to the customer).

#### **Contract costs**

Other than the costs which are capitalised as inventories, property, plant and equipment and intangible assets, costs incurred to fulfil a contract with a customer are capitalised as an asset if all of the following criteria are met:

- (a) The costs relate directly to a contract or to an anticipated contract that the entity can specifically identify.
- (b) The costs generate or enhance resources of the entity that will be used in satisfying (or in continuing to satisfy) performance obligations in the future.
- (c) The costs are expected to be recovered.

The capitalised contract costs are amortised and charged to the statement of profit or loss on a systematic basis that is consistent with the transfer to the customer of the goods or services to which the asset relates. Other contract costs are expensed as incurred.

#### **Cash and cash equivalents**

For the purpose of the consolidated statement of cash flows, cash and cash equivalents comprise cash on hand and demand deposits, and short term highly liquid investments that are readily convertible into known amounts of cash, are subject to an insignificant risk of changes in value, and have a short maturity of generally within three months when acquired, less bank overdrafts which are repayable on demand and form an integral part of the Group's cash management.

For the purpose of the consolidated statement of financial position, cash and cash equivalents comprise cash on hand and at banks, including term deposits, and assets similar in nature to cash, which are not restricted as to use.

#### **Provisions**

A provision is recognised when a present obligation (legal or constructive) has arisen as a result of a past event and it is probable that a future outflow of resources will be required to settle the obligation, provided that a reliable estimate can be made of the amount of the obligation.

When the effect of discounting is material, the amount recognised for a provision is the present value at the end of the reporting period of the future expenditures expected to be required to settle the obligation. The increase in the discounted present value amount arising from the passage of time is included in finance costs in the statement of profit or loss.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Income tax**

Income tax comprises current and deferred tax. Income tax relating to items recognised outside profit or loss is recognised outside profit or loss, either in other comprehensive income or directly in equity.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period, taking into consideration interpretations and practices prevailing in the countries in which the Group operates.

Deferred tax is provided, using the liability method, on all temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of taxable temporary differences associated with investments in subsidiaries, associates and joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, and the carryforward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carryforward of unused tax credits and unused tax losses can be utilised, except:

- when the deferred tax asset relating to the deductible temporary differences arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of deductible temporary differences associated with investments in subsidiaries, associates and joint ventures, deferred tax assets are only recognised to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be util be available to allow all or part of the deferred tax asset to be extend that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if and only if the Group has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### **Government grants**

Government grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the costs, for which it is intended to compensate, are expensed.

Where the grant relates to an asset, the fair value is credited to a deferred income account and is released to profit or loss over the expected useful life of the relevant asset by equal annual instalments or deducted from the carrying amount of the asset and released to profit or loss by way of a reduced depreciation or amortisation charge.

#### **Revenue recognition**

#### **Revenue from contracts with customers**

Revenue from contracts with customers is recognised when control of goods or services is transferred to the customers at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

When the consideration in a contract includes a variable amount, the amount of consideration is estimated to which the Group will be entitled in exchange for transferring the goods or services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

When the contract contains a financing component which provides the customer with a significant benefit of financing the transfer of goods or services to the customer for more than one year, revenue is measured at the present value of the amount receivable, discounted using the discount rate that would be reflected in a separate financing transaction between the Group and the customer at contract inception. When the contract contains a financing component which provides the Group with a significant financial benefit for more than one year, revenue recognised under the contract includes the interest expense accreted on the contract liability under the effective interest method. For a contract where the period between the payment by the customer and the transfer of the promised goods or services is one year or less, the transaction price is not adjusted for the effects of a significant financing component, using the practical expedient in HKFRS 15.

- (a) Provision of environmental hygiene services Revenue from the provision of environmental hygiene services is recognised over the scheduled period on a straight-line basis because the customer simultaneously receives and consumes the benefits provided by the Group.
- (b) Provision of hazardous waste treatment services Revenue from the provision of hazardous waste treatment services is recognised at the point in time when the services are provided to the customers.
- (c) Sale of refined chemical and other products and sales of dismantled products Revenue from the sale of refined chemical and other products and sale of dismantled products is recognised at the point in time when control of the asset is transferred to the customer, generally on delivery of the products.

#### (d) Construction services

Revenue from the provision of construction services is recognised over time, using an input method to measure progress towards complete satisfaction of the service, because the Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced. The input method recognises revenue based on the proportion of the actual costs incurred relative to the estimated total costs for satisfaction of the construction services.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Revenue recognition** (Continued)

**Revenue from contracts with customers** (Continued)

- (e) Consultancy services
  - The Group recognises revenue from provision of consultancy services, upon the transfer of outcome of the customers. The performance obligation is satisfied upon delivery of related service outcome of the customers.

### **Revenue from other sources**

Environmental decommissioning fee income for waste electrical and electronic treatment is recognised when there is reasonable assurance that the government grant will be received and all attaching conditions will be complied with. The fair value of the consideration is determined by discounting all future receipts using an imputed interest rate due to significant financing component.

#### **Other income**

Interest income is recognised on an accrual basis using the effective interest method by applying the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, when appropriate, to the net carrying amount of the financial asset.

#### Other employee benefits

#### **Defined contribution plans**

The employees of the Group's subsidiaries which operate in Mainland China are required to participate in central pension schemes operated by the local governments, the assets of which are held separately from those of the Group. Contributions are made by the subsidiaries based on a percentage of the participating employees' salaries and are charged to profit or loss as they become payable in accordance with the rules of the central pension schemes. The employer contributions vest fully once made.

The Group also operates a defined contribution Mandatory Provident Fund retirement benefit scheme in Hong Kong (the "MPF Scheme") under the Hong Kong Mandatory Provident Fund Schemes Ordinance for those employees who are eligible to participate in the MPF Scheme. Contributions are made based on a percentage of the employees' basic salaries and are charged to profit or loss as they become payable in accordance with the rules of the MPF Scheme. The assets of the MPF Scheme are held separately from those of the Group in an independently administered fund. The Group's employer contributions vest fully with the employees when contributed into the MPF Scheme.

#### **Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, i.e., assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalised as part of the cost of those assets. The capitalisation of such borrowing costs ceases when the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowing costs are expenditure on qualifying assets is deducted from the borrowing costs capitalised. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

31 December 2022

### 2.4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Foreign currencies

These financial statements are presented in Hong Kong dollars, which is the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency. Foreign currency transactions recorded by the entities in the Group are initially recorded using their respective functional currency rates prevailing at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency rates of exchange ruling at the end of the reporting period. Differences arising on settlement or translation of monetary items are recognised in the statement of profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of a non-monetary item measured at fair value is treated in line with the recognition of the gain or loss on change in fair value of the item (i.e., translation difference on the item whose fair value gain or loss is recognised in other comprehensive income or profit or loss is also recognised in other comprehensive income or profit or loss, respectively).

In determining the exchange rate on initial recognition of the related asset, expense or income on the derecognition of a non-monetary asset or non-monetary liability relating to an advance consideration, the date of initial transaction is the date on which the Group initially recognises the non-monetary asset or non-monetary liability arising from the advance consideration. If there are multiple payments or contract liabilities, the Group determines the transaction date for each payment or receipt of the advance consideration.

The functional currency of the subsidiaries in Mainland China is a currency other than the Hong Kong dollars. As at the end of the reporting period, the assets and liabilities of this entity are translated into Hong Kong dollars at the exchange rate prevailing at the end of the reporting period and its statement of comprehensive income is translated into Hong Kong dollars at the exchange rates that approximate to those prevailing at the dates of the transactions.

The resulting exchange differences are recognised in other comprehensive income and accumulated in the exchange fluctuation reserve. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

Any goodwill arising on the acquisition of a foreign operation and any fair value adjustments to the carrying amounts of assets and liabilities arising on acquisition are treated as assets and liabilities of the foreign operation and translated at the closing rate.

For the purpose of the consolidated statement of cash flows, the cash flows of the subsidiary is translated into Hong Kong dollars at the exchange rates ruling at the dates of the cash flows. Frequently recurring cash flows of the subsidiary which arise throughout the year is translated into Hong Kong dollars at the weighted average exchange rate for the year.

31 December 2022

### 3. SIGNIFICANT ACCOUNTING JUDGEMENTS AND ESTIMATES

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and their accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amounts of the assets or liabilities affected in the future.

### **Estimation uncertainty**

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

#### Impairment of goodwill

The Group determines whether goodwill is impaired at least on an annual basis. This requires an estimation of the value in use of the cash-generating units to which the goodwill is allocated. Estimating the value in use requires the Group to make an estimate of the expected future cash flows from the cash-generating units and also to choose a suitable discount rate in order to calculate the present value of those cash flows. The carrying amounts of goodwill were HK\$282,620,000 (2021: HK\$302,383,000) at 31 December 2022. Further details are set out in note 15 to the financial statements.

# Provision for expected credit losses on receivables under service concession arrangements, contract assets, trade receivables, environmental decommissioning fees receivable and other receivables

The policy for provision for expected credit losses on receivables under service concession arrangements, contract assets, trade receivables, environmental decommissioning fees receivable and other receivables of the Group is based on an ECL model. A considerable amount of estimation is required in assessing the available information which includes information about past events, current conditions and forecasts future economic conditions to estimate the ECL. The carrying amounts of receivables under service concession arrangements, contract assets, trade receivables, environmental decommissioning fees receivable and other receivables other than prepayments carried as assets in the consolidated statement of financial position as at 31 December 2022 were set out in notes 16, 19, 21, 22 and 23 to the financial statements, respectively.

31 December 2022

### 4. OPERATING SEGMENT INFORMATION

For management purposes, the Group is organised into business units based on their products and services and has three reportable operating segments as follows:

- (a) the environmental hygiene services segment provides city cleaning and public hygiene services;
- (b) the hazardous waste treatment segment provides hazardous waste treatment services; and
- (c) the "others" segment comprise, principally, the waste electrical and electronic equipment treatment services and the sale of dismantled products.

Management monitors the results of the Group's operating segments separately for the purpose of making decisions about resources allocation and performance assessment. Segment performance is evaluated based on reportable segment profit, which is a measure of adjusted profit for the year attributable to owners of the parent. The adjusted profit for the year attributable to owners of the parent is measured consistently with the Group's profit for the year attributable to owners of the parent except that corporate and other unallocated income and expenses are excluded from such measurement.

### **Geographical information**

- (a) All of the Group's revenue from external customers was derived from the Group's operations in the PRC during the year.
- (b) Over 90% of the Group's non-current assets were derived from the Group's operations in the PRC during the year.

### Information about major customers

During the years ended 31 December 2022 and 2021, no revenue from transactions with a single external customer contributed over 10% of the total revenue of the Group.

周敏先生 (Mr. Zhou Min), 李海楓先生 (Mr. Li Haifeng) and 李力先生 (Mr. Li Li) were redesignated as executive directors of the Company on 1 August 2022.

黃志萬先生 (Mr. Huang Zhiwan) and 張海林先生 (Mr. Zhang Hailin) were resigned as executive directors of the Company on 1 September 2021 and 10 November 2021, respectively. 周塵先生 (Mr. Zhou Chen) was appointed as executive director of the Company on 1 September 2021.

There were no other emoluments payable to the independent non-executive directors during the year (2021: Nil). There was no arrangement under which a director or the chief executive waived or agreed to waive any remuneration during the year.

31 December 2022

### 9. FIVE HIGHEST PAID EMPLOYEES

The five highest paid employees during the year included one director (2021: one director), details of whose remuneration are set out in note 8 above. Details of the remuneration for the year of the remaining four (2021: four) highest paid employees who are neither a director nor chief executive of the Company are as follows:

	2022 HK\$'000	2021 HK\$'000		
Salaries, allowances and benefits in kind	4,913	4,601		
Performance related bonuses	1,153	1,556		
Pension scheme contributions	170	163		
	6,236	6,320		

The number of non-director highest paid employees whose remuneration fell within the following bands is as follows:

	Number of employees		
	2022	2021	
HK\$1,000,001 to HK\$1,500,000	2	2	
HK\$1,500,001 to HK\$2,000,000	1	1	
HK\$2,000,001 to HK\$2,500,000	1	1	
	4	4	

During the year, no emoluments were paid or payable by the Group to any of the non-director, highest paid employees as an inducement to join or upon joining the Group or as compensation for loss of office.

### **10. INCOME TAX EXPENSE**

No provision for Hong Kong profits tax has been made as the Group did not generate any assessable profits arising in Hong Kong for the year (2021: Nil).

The income tax provisions in respect of operations in Mainland China are calculated at the applicable tax rates on the estimated assessable profits for the year based on existing legislation, interpretations and practices in respect thereof. In accordance with the relevant tax rules and regulations of Mainland China, a number of the Company's subsidiaries enjoy income tax exemptions and reductions, because (1) these companies are engaged in the operations of environmental protection, energy and water conservation; and/or (2) they have operations in the Western region of Mainland China that are qualified for a 15% concessionary corporate income tax rate for a prescribed period of time pursuant to the "Circular of the State Council on Policies and Measures Concerning the Large-scale Development of China's Western Regions" (Guo Fa [2000] No. 33) issued by the State Council of Mainland China.

	2022 HK\$'000	2021 HK\$'000
Current – Mainland China charge for the year Deferred (note 31)	142,402 (30,825)	141,752 (4,859)
Total tax charge for the year	111,577	136,893

31 December 2022

### 10. INCOME TAX EXPENSE (Continued)

A reconciliation of the tax expense applicable to profit/(loss) before tax at the statutory rates for the jurisdictions in which the Company and its subsidiaries are domiciled to the tax expense at the effective tax rates, and a reconciliation of the applicable rates (i.e., the statutory tax rates) to the effective tax rates, are as follows:

### Year ended 31 December 2022

	Hong Ke	Hong Kong		Mainland China

Tax charge at the effective rate		(R22)) <del>-</del> 5	136,893	18.1	136,893	19.0

There was no share of tax attributable to a joint venture during the years ended 31 December 2022 and 2021.

31 December 2022

## **11. DIVIDENDS**

	2022 HK\$'000	2021 HK\$'000
Interim – HK1.0 cent (2021: Nil) per ordinary share	36,000	1021 (S.C.) 1
Proposed final – HK1.0 cent (2021: HK3.0 cents) per ordinary share	36,000	108,000
	72,000	108,000

The proposed final dividend for the year is subject to the approval of the Company's shareholders at the forthcoming annual general meeting.

### 12. EARNINGS PER SHARE ATTRIBUTABLE TO SHAREHOLDERS OF THE COMPANY

The calculation of the basic earnings per share amount is based on the profit for the year attributable to shareholders of the Company, and the weighted average number of ordinary shares of 3,600,000,000 in issue for the years ended 31 December 2022 and 2021.

The Group had no potential dilutive ordinary shares in issue during the years ended 31 December 2022 and 2021.

The calculation of the basic and diluted earnings per share amounts is based on the following:

	[2] 25 25 25 25 27 27 27 27 27 27 27 27 27 27 27 27 27	
	2022 HK\$'000	2021 HK\$'000
Earnings		
Profit for the year attributable to shareholders of the Company, used in the basic and diluted earnings per share calculations	277,706	502,033
Number of ordinary shares	1	1. 1. 1. 1. 1. M.
Weighted average number of ordinary shares, used in the basic and diluted earnings per share calculations	3,600,000,000	3,600,000,000

31 December 2022

Exchange realignment	(5,847)	(2,895)	(19,597)	(28,339)				
As at 31 December 2022	94,764	28,991	264,020	387,775				

Notes:

<sup>(</sup>a) Certain of the Group's prepaid land lease payments with a net carrying amount of HK\$66,485,000 (2021: HK\$69,782,000) were pledged to secure general banking facilities granted to the Group as at 31 December 2022 (note 29(a)(iii)).

<sup>(</sup>b) Details of the carrying amount of lease liabilities (included under "other payables and accruals") and the movements during the year are set out in note 27 to the financial statements.

<sup>(</sup>c) The amounts of depreciation of right-of-use assets, lease payments under short term leases and interest expense on lease liabilities recognised are disclosed in notes 6 and 7 to the financial statements.

<sup>(</sup>d) The total cash outflow for leases amounted to HK\$85,160,000 (2021: HK\$77,572,000) for the year ended 31 December 2022.

31 December 2022

## 15. GOODWILL

	2022 HK\$'000	2021 HK\$'000
Cost and carrying amount at 1 January	302,383	295,482
Exchange realignment	(19,763)	6,901
Cost and carrying amount at 31 December	282,620	302,383

### Impairment testing of goodwill

Goodwill acquired through business combinations is allocated to the following cash-generating units ("CGUs") for impairment testing:

	2022	2021
	HK\$'000	HK\$'000
Environmental hygiene CGUs	12,526	12,526
Hazardous waste treatment CGUs	270,094	289,857
	282,620	302,383

The recoverable amounts of the relevant businesses in each of the above operating segments have been determined by reference to business valuations performed by Valtech Valuation Advisory Limited (2021: Valtech Valuation Advisory Limited), independent professionally qualified valuers, based on values in use calculation using cash flow projections which are based on financial forecast approved by senior management covering a period of 5 years and based on the assumption that the sizes of the operations remain constant.

Assumptions were used in the value-in-use calculation of the relevant businesses in the environmental hygiene segment and hazardous waste treatment segment for 31 December 2022 and 2021. The following describes each key assumption on which the management has based its cash flow projections to undertake impairment testing of goodwill:

Budgeted turnover – It is based on the projected hazardous waste treatment volume and the latest hazardous waste treatment and service fee received up to the date of the forecast.

Budgeted gross margins – The basis used to determine the value assigned to the budgeted gross margins is the average gross margins achieved in the year immediately before the budget year, increased for expected efficiency improvements, and expected market development.

Business environment – There have been no major changes in the existing political, legal and economic conditions in Mainland China in which the assessed entity carried on its business.

Discount rates – The pre-tax discount rates applied to the cash flow projections were ranged from 10.40% to 17.77% for 2022 and 13.02% to 17.44% for 2021 for the business units of the environmental hygiene segment and hazardous waste treatment segment, which was determined by reference to the average rates for similar industries and the business risks of the relevant business units.

Growth rate – The growth rate used to extrapolate the cash flows beyond the five-year period was 2% for 2022 and 2021.

Based on the results of the impairment testing of goodwill, in the opinion of management of the Group, no impairment provision is considered necessary for the Group's goodwill as at 31 December 2022 and 2021.

31 December 2022

### **16. SERVICE CONCESSION ARRANGEMENTS**

The Group has entered into five operating concession arrangements with certain governmental authorities in Mainland China on a Build-Transfer-Operate ("BTO") or a Transfer-Operate-Transfer ("TOT") basis in respect of its environmental hygiene services under HK(IFRIC)-Int 12 Service Concession Arrangements. These operating concession arrangements generally involve the Group as a provider of environmental hygiene services on behalf of the relevant governmental authorities for a period of 15 to 28 years (the "Operating Concession Periods"), and the Group would be paid for its services over the years of the operating concession arrangements at prices stipulated through a pricing mechanism. The Group is generally entitled to use the fixed assets provided by the governmental authorities, however, the relevant governmental authorities as grantors will control and regulate the scope of services that the Group must provide with the fixed assets. The Group is obliged to hand over the fixed assets to the grantors at the end of the operating concession periods. Each of these operating concession arrangements is governed by a contract.

Name of company as operator	Name of project	Location	Name of grantor	Type of operating concession arrangement	Operating concession period
Beijing Enterprises (Cangzhou Hejian) Environmental Service Limited 北控(滄州河間)環境服務有限公司®	Environmental Sanitation Marketisation Outsourcing PPP Project	Hejian City, Hebei Province	Hejian City Urban Administrative Bureau	TOT on environmental hygiene services	25 years from 2016 to 2041
Beijing Enterprises (Qinhuangdao) Environmental Service Limited 北控城市服務(秦皇島)有限公司®	Urban-Rural Integration Garbage Collection and Transportation Facilities	Qinhuangdao, Funing District, Hebei Province Construction PPP Project	Funing District Urban Administrative Integrated Law Enforcement Bureau	TOT on environmental hygiene services	25 years from 2016 to 2041
Beijing Enterprises Urban Services (Xintian) Limited 北控城市服務(新田)有限公司®	Rural Domestic Waste Treatment PPP Project	Yongzhou City, Hunan Province	Xintian County Urban Administrative and Law	TOT on environmental hygiene services Enforcement Bureau	28 years from 2018 to 2046
Beijing Enterprises Urban Services (Quannan) Limited 北控城市服務(全南)有限公司®	Quannan Urban-Rural Service Urban Integration PPP Project	Quannan City, Jiangxi Province	Quannan City Urban Administrative Bureau	TOT on environmental hygiene service	15 years from 2019 to 2034
Shenzhen Baoan Beijing Enterprises Urban Services Limited 深圳寶安北控城市服務有限公司®	Xinqiao and Shajing District Urban-Rural Integration PPP Project	Shenzhen, Guangdong Province	Urban Administration & Enforcement Bureau of Bao'an District	BTO on environmental hygiene service	15 years from 2020 to 2035

A summary of the major terms of the operating concession arrangements is set out as follows:

The English names represent the best efforts made by the management of the Group to translate the Chinese names of these subsidiaries as they do not have official English names.

31 December 2022

### 16. SERVICE CONCESSION ARRANGEMENTS (Continued)

The considerations paid by the Group for operating concession arrangements are accounted for as intangible assets (operating concessions). The following is the summarised information of the intangible assets (operating concessions) with respect to the Group's operating concession arrangements:

### **Operating concessions**

	2022 HK\$'000	2021 HK\$'000	
At 1 January:		Will And Inc.	
Cost	354,240	344,135	
Accumulated amortisation and impairment	(122,885)	(61,262)	
Net carrying amount	231,355	282,873	
Net carrying amount:			
At 1 January	231,355	282,873	
Addition	16,569	1,690	
Amortisation provided during the year	(54,142)	(59,403)	
Exchange realignment	(14,920)	6,195	
At 31 December	178,862	231,355	
At 31 December:		S. A. C. El	
Cost	346,279	354,240	
Accumulated amortisation and impairment	(167,417)	(122,885)	
Net carrying amount	178,862	231,355	
		11 11 11 12 11 11 11 11 11 11 11 11 11 1	

Note: One of the Group's operating concession rights with a net carrying amount of approximately HK\$34,393,000 (2021: HK\$38,862,000) was pledged to secure general banking facilities granted to the Group (note 29(a)(iii)) as at 31 December 2022.

31 December 2022

### 16. SERVICE CONCESSION ARRANGEMENTS (Continued) Receivables under service concession arrangements

	2022 HK\$'000	2021 HK\$'000
Receivables under service concession arrangements	127,866	156,339
Current portion	(19,895)	(21,867)
Non-current portion	107,971	134,472

Notes:

(a) An ageing analysis of the Group's receivables under service concession arrangements as at the end of the reporting period, based on the invoice date and net of loss allowance, is as follows:

\* The non-current portion receivables represented contract assets as the rights to considerations have yet to be unconditional.

<sup>(</sup>b) An impairment analysis is performed at 31 December 2022 and 2021 using the provision matrix approach to measure life-time expected credit losses. The probabilities of default rates are estimated based on comparable companies with published credit ratings. The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forward-looking credit risk information. As at 31 December 2022, the expected credit loss rates were estimated to range from 0.21 % to 4.88% (2021: from 0.31% to 3.99%). The loss allowance for impairment of the receivables under service concession arrangements during the year was not significant to the Group.

31 December 2022

The Group's trading terms with its customers are mainly on credit, except for new customers, where payment in advance is normally required. The credit period is generally one month, extending up to three months for major customers. Each customer has a maximum credit limit. The Group seeks to maintain strict control over its outstanding receivables and has a credit control department to minimise credit risk. Overdue balances are reviewed regularly by senior management. In view of the aforementioned and the fact that the Group's trade receivables relate to a large number of diversified customers, there is no significant concentration of credit risk. The Group does not hold any collateral or other credit enhancements over its trade receivable balances. Trade receivables are non-interest-bearing.

31 December 2022

### 21. TRADE AND BILLS RECEIVABLES (Continued)

Notes:

(a) An ageing analysis of the trade receivables as at the end of the reporting period, based on the invoice date or revenue recognition date (when the invoices had yet been issued by then) and net of loss allowance, is as follows:

	2022 HK\$'000	2021 HK\$'000
Within 3 months	1,085,770	881,754
4 to 6 months	660,172	367,963
7 to 12 months	246,381	137,326
Over 1 year	222,381	145,117
	2,214,704	1,532,160
Unbilled	29,276	32,807
	2,243,980	1,564,967

(b) The movements in the loss allowance for impairment of trade receivables during the years are as follows:

	2022 HK\$'000	2021 HK\$'000
At 1 January	14,236	6,754
Impairment losses, net (note 6)	38,372	7,229
Exchange realignment	(1,842)	253
At 31 December	50,766	14,236

An impairment analysis is performed at each reporting date using a provision matrix approach to measure expected credit losses. The provision rates are estimated based on comparable companies with similar loss patterns (i.e., by geographical region, customer type and rating). The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forward-looking credit risk information.

Set out below is the information about the credit risk exposure of the Group's trade receivables using a provision matrix:

#### As at 31 December 2022

	Current	Less than 3 months	Past due 4 to 6 months	Past due 7 to 12 months	Over 1 year	Total
Expected credit loss rate	0.29%	0.36%	3.85%	3.85%	6.34%	2.21%
Gross carrying amount (HK\$'000)	529,028	689,837	629,149	234,803	211,929	2,294,746
Expected credit losses (HK\$'000)	1,545	2,501	24,245	9,049	13,426	50,766

#### As at 31 December 2021

	Current	Less than 3 months	Past due 4 to 6 months	Past due 7 to 12 months	Over 1 year	Total
Expected credit loss rate	0.27%	0.40%	1.86%	1.86%	3.64%	0.90%
Gross carrying amount (HK\$'000)	654,362	452,615	267,158	99,705	105,363	1,579,203
Expected credit losses (HK\$'000)	1,767	1,808	4,971	1,855	3,835	14,236

31 December 2022

## 22. ENVIRONMENTAL DECOMMISSIONING FEES RECEIVABLE

		2022 HK\$'000	2021 HK\$'000
Environmental decommissioning fees receivable	101111111	402,444	394,932

The balance represented government subsidies receivable from the Central Government of the People's Republic of China ("Central Government") for the waste electrical and electronic equipment treatment services. The Group submits the quantities and products dismantled to the government online system on a weekly basis. The Central Government would appoint independent auditors to perform fieldwork audit quarterly or semi-annually, depending on the province practice, to verify the submitted details in the online system posted by the dismantling entities. Auditor reports would be issued by the independent auditors and submitted to the Central Government for the quantities confirmation results. Subject to the internal procedures for processing the auditor reports, the Central Government would publish online confirmation notices on its website about the quantities of dismantling appliance and an environmental decommissioning fee would be paid to the entities after the online publication. The whole confirmation process from performing the waste electrical and electronic equipment treatment services until the cash receipt from Central Government ranged from 3 to 4 years.

The Group does not hold any collateral over these balances.

An impairment analysis is performed at each reporting date using the probability of default approach to measure expected credit losses. The probabilities of default rates are estimated based on comparable companies with published credit ratings. The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forward-looking credit risk information. As at 31 December 2022, the expected credit loss rates were estimated to range from 0.14% to 0.26% (2021: range from 0.05% to 0.23%). The loss allowance for impairment of the receivables during the current and prior years were not significant to the Group.

31 December 2022

## 23. PREPAYMENTS, DEPOSITS AND OTHER RECEIVABLES

2022 HK\$'000	2021 HK\$'000	
40,000	53,717	
53,368	47,286	
48,834	52,395	
16,705	18,012	
11,473	12,437

(147,675)	(139,191)	
71,133	82,507	
	/1,133	

Note:

The Group does not hold any collateral or other credit enhancements over these balances.

An impairment analysis is performed at each reporting date using the probability of default approach to measure expected credit losses. The probabilities of default rates are estimated based on comparable companies with published credit ratings. The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forward-looking credit risk information. As at 31 December 2022, the expected credit loss rates were estimated to range from 0.21% to 2.93% (2021: range from 0.05% to 1.71%). The loss allowance for impairment of the deposits and other receivables during the current and prior years were not significant to the Group.

31 December 2022

### 24. BALANCES WITH RELATED COMPANIES AND NON-CONTROLLING SHAREHOLDERS

The balances with related companies and non-controlling shareholders are unsecured, interest-free and have no fixed terms of repayment, except for an aggregate amount of RMB38,149,000, equivalent to HK\$43,351,000, (2021: RMB35,997,000, equivalent to HK\$43,898,000) advanced from a non-controlling shareholder, which is unsecured, bears interest at the rate of 9% (2021: 9%) per annum and is repayable within one year.

### 25. PLEDGED DEPOSITS AND CASH AND CASH EQUIVALENTS

	2022 HK\$'000	2021 HK\$'000	
Cash and bank balances: Placed in banks (note (a))	1,542,306	1,210,854	
Time deposits:	1,042,000	1,210,004	
Placed in banks (note (a))	80,718	506,280	
Total cash and bank balances	1,623,024	1,717,134	
Less: Restricted cash and pledged deposits (note (b))	(22,053)	(28,231)	
Cash and cash equivalents	1,600,971	1,688,903	
		CONTRACTOR AND A CONTRACTOR AND A	

Notes:

(a) At 31 December 2022, the cash and bank balances of the Group denominated in RMB amounted to approximately HK\$1,305,262,000 (2021: HK\$1,533,675,000). The RMB is not freely convertible into other currencies, however, under Mainland China's Foreign Exchange Control Regulations and Administration of Settlement, and Sale and Payment of Foreign Exchange Regulations, the Group is permitted to exchange RMB for other currencies through banks authorised to conduct foreign exchange business.

Cash at banks earns interest at floating rates based on daily bank deposit rates. The bank balances are deposited with creditworthy banks in Hong Kong and major state-owned banks in Mainland China with no recent history of default.

(b) Restricted cash and pledged deposits were made to banks for the bill facilities granted.

## 26. TRADE AND BILLS PAYABLES

	2022 HK\$'000	2021 HK\$'000
Trade payables	359,326	266,071
Bills payable	28,806	8,902
	388,132	274,973

An ageing analysis of the trade payables as at the end of the reporting period, based on the invoice date, is as follows:

	1월 29일 1월 20일 1월 20일 20일 1월 20일 20일 20일 1월 20일 1	
	2022	2021
	НК\$'000	HK\$'000
Within 1 month	92,435	183,343
1 to 2 months	47,980	22,575
2 to 3 months	39,243	16,486
Over 3 months	179,668	43,667
	359,326	266,071

The trade payables are non-interest-bearing and are normally settled on terms of 30 to 90 days.

31 December 2022

## 27. OTHER PAYABLES AND ACCRUALS

2022 HK\$'000	2021 HK\$'000
317,362	249,535
28,480	40,569
166,973	173,683
410,883	404,995
103,720	103,799
1,027,418	972,581
(914,683)	(872,265)
112,735	100,316
	HK\$'000 317,362 28,480 166,973 410,883 103,720 1,027,418 (914,683)

Notes:

(a) Details of contract liabilities are as follows:

	31 December 2022 HK\$′000	31 December 2021 HK\$'000	1 January 2021 HK\$'000
Short-term advances received from customers		NACTOR NO.	10-549-55
Hazardous waste treatment services	27,572	40,116	47,302
Sale of dismantled products	908	453	716
	28,480	40,569	48,018

The decrease in contract liabilities in 2022 and 2021 was mainly due to the decrease in short-term advances received from customers in relation to provision of hazardous waste treatment services at the end of the year.

### (b) The following is the summarised information of the lease liabilities:

	. 1999년 1월 18일 - 1999년 1월 19일 - 1

31 December 2022

### 29. INTEREST-BEARING BANK AND OTHER BORROWINGS (Continued)

Notes:

- (a) Certain of the Group's bank borrowings are secured or guaranteed by:
  - (i) The pledge over a non-controlling shareholder's equity interest in a subsidiary as at 31 December 2022 and 2021;
  - (ii) The pledge over the Group's equity interest in subsidiaries as at 31 December 2022 and 2021; and
  - (iii) Certain of the Group's bank and other loans are secured by the Group's assets as follows:

		2022	2021
	Notes	HK\$'000	HK\$'000
Property, plant and equipment	13	157,185	214,653
Right-of-use assets	14	66,485	69,782
Operating concession rights	16	34,393	38,862
		258,063	323,297

(b) The carrying amounts of the Group's bank and other borrowings are denominated in the following currencies:

	2022 HK\$'000	2021 HK\$'000
HK\$	1,350,000	1,050,000
RMB	1,457,862	1,265,826
	2,807,862	2,315,826

(c) The effective interest rates (per annum) at the end of the reporting period were as follows:

	2022	2021
Bank loans: Secured Unsecured	3.7% - 5.0% 2.3% - 6.7%	3.9% – 5.4% 1.8% – 5.5%
Other loan: Secured	N/A	4.8%

(d) Loan agreements of certain bank loans of the Group in an aggregate carrying amount of HK\$1,350,000,000 (2021: HK\$1,050,000,000) as at 31 December 2022 include covenants imposing specific performance obligations on the substantial shareholder of the Company, among which breach of any one of the following specific performance obligations would constitute events of default on the loan facilities:

- (i) BEGCL is effectively wholly-owned, supervised and/or controlled by The People's Government of Beijing Municipality;
- BEGCL (and/or as may be through its subsidiary or subsidiaries) collectively is Beijing Enterprises Holdings Limited's ("BEHL") indirect single largest shareholder with at least 40% effective interest in BEHL's issued ordinary share capital;
- BEHL (and/or as may be through its subsidiary or subsidiaries) collectively is BEWG's indirect single largest shareholder with at least 35% effective interest in BEWG's issued ordinary share capital; and
- (iv) BEWG (and/or as may be through its subsidiary or subsidiaries) collectively is the Company's indirect single largest shareholder with at least 25% or 30% effective interest, as stated as appropriate in the facility agreements, in the Company's issued ordinary share capital.

Based on the directors' best belief and knowledge, none of the above events of default took place during the year and as at the date of approval of these financial statements.
31 December 2022

### **30. DEFERRED INCOME**

Deferred income of the Group mainly represented government subsidies received in respect of the Group's construction of hazardous waste treatment facilities and purchase of certain land in the PRC. These subsidies are recognised in profit or loss on a straight-line basis over the expected useful lives of the relevant assets.

### **31. DEFERRED TAX**

Net deferred tax assets/(liabilities) recognised in the consolidated statement of financial position are as follows:

	2022 HK\$'000	2021 HK\$'000
Deferred tax assets	62,209	35,898
Deferred tax liabilities	(36,670)	(40,818)
	25,539	(4,920)

The components of deferred tax assets and liabilities and their movements during the years are as follows:

	Note	Fair value adjustments arising from acquisition of subsidiaries HK\$'000	Provision for major overhaul HK\$'000	Temporary differences related to service concession arrangements HK\$'000	Impairment provision HK\$'000	Unrealised profits arising from intra-group transactions HK\$'000	Net deferred tax assets/ (liabilities) HK\$'000
At 1 January 2021	11/13/4	(7,452)	837	(4,677)	1,689	Mark Meri	(9,603)
Net deferred tax credited to profit or loss Exchange realignment	10	_ (65)	166 43	2,660 (220)	2,033 66	-	4,859 (176)
At 31 December 2021 and 1 January 2022		(7,517)	1,046	(2,237)	3,788	_	(4,920)
Net deferred tax credited to profit or loss Exchange realignment	10	- 512	160 (74)	5,584 24	10,337 (493)	14,744 (335)	30,825 (366)
At 31 December 2022	3.12.25	(7,005)	1,132	3,371	13,632	14,409	25,539

Notes:

- (a) At 31 December 2022, deferred tax assets have not been recognised in respect of unused tax losses of approximately HK\$358,303,000 (2021: HK\$328,789,0000) as they have arisen in certain subsidiaries that have been loss-making for some time and it is not probable that taxable profits will be available against which such tax losses can be utilised. Out of this amount, unrecognised tax losses of HK\$159,175,000 (2021: HK\$181,339,000) will expire in one to five years.
- (b) Pursuant to the PRC Corporate Income Tax Law, a 10% withholding tax is levied on dividends declared to foreign investors from the foreign investment enterprises established in Mainland China. The requirement is effective from 1 January 2008 and applies to earnings after 31 December 2007. A lower withholding tax rate may be applied if there is a tax treaty between Mainland China and the jurisdiction of the foreign investors. For the Group, the applicable rate is 5% or 10%. The Group is therefore liable for withholding taxes on dividends distributed by those subsidiaries established in Mainland China in respect of earnings generated from 1 January 2008.

At 31 December 2022 and 2021, no deferred tax has been recognised for withholding taxes that would be payable on the unremitted earnings that are subject to withholding taxes of the Group's subsidiaries established in Mainland China. In the opinion of the management of the Group, it is not probable that these subsidiaries will distribute such earnings in the foreseeable future. The aggregate amount of temporary differences associated with investments in subsidiaries in Mainland China for which deferred tax liabilities have not been recognised totalled approximately HK\$1,928,915,000 (2021: HK\$1,664,456,000) as at 31 December 2022.

31 December 2022

### 32. PROVISION FOR MAJOR OVERHAULS

Pursuant to the hazardous waste management regulation in the PRC, the Group is obliged to prevent the leakage of hazardous and harmful substances after the landfill is full or at the end of the service concession period. The obligation to maintain the landfill is recognised and measured in accordance with HKAS 37, i.e., at the best estimate of the expenditure that would be required to settle the present obligation at the end of the reporting period. The future expenditure on this maintenance cost is collectively referred to as "major overhaul". The estimation basis is reviewed on an ongoing basis, and revised where appropriate.

The movements in the provision for major overhauls of the landfill during the year are as follows:

	Notes	2022 HK\$'000	2021 HK\$'000
At 1 January	SALVA	42,064	36,067

## 34. RESERVES

#### (a) Group

The amounts of the Group's reserves and the movements therein during the year are presented in the consolidated statement of changes in equity.

#### (b) Merger reserve

Pursuant to the reorganisation of the Company in connection with the listing of the shares of the Company on the Stock Exchange (the "Reorganisation"), the Company became the holding company of the companies now comprising the Group on 26 March 2019.

The merger reserve represents the reserve arising from the Reorganisation of the Group in the prior years.

#### (c) PRC reserve funds

The PRC reserve funds are reserves set aside in accordance with the PRC Companies Laws as applicable to the Company's subsidiaries. None of the Group's PRC reserve funds at the end of each of the year were distributable in the form of cash dividends.

#### (d) Capital reserve

Capital reserve represents gain or loss arising on acquisition of non-controlling interests and transfer of reserve from capital reduction of the Company.

### **35. NOTES TO THE CONSOLIDATED STATEMENT OF CASH FLOWS**

#### (a) Major non-cash transactions

During the year, the Group had non-cash additions and modification to right-of-use assets and lease liabilities of HK\$42,442,000 (2021: HK\$48,250,000) and HK\$42,442,000 (2021: HK\$48,250,000), respectively in respect of lease arrangement for leasehold land, buildings and motor vehicles.

#### (b) Changes in liabilities arising from financing activities:

	Interest- bearing bank and other borrowings HK\$'000	Lease liabilities HK\$'000	Due to related companies and non-controlling shareholders HK\$'000
At 1 January 2021	1,758,638	130,654	46,998
New leases		33,017	
Changes from financing cash flows	527,989	(41,186)	15,980
Interest on lease liabilities	R. M. A. B. A S.	6,348	12513 Mil-1
Foreign exchange movement	29,199	44,850	1,340
At 31 December 2021 and 1 January 2022	2,315,826	173,683	64,318

31 December 2022

### **37. PLEDGE OF ASSETS**

Details of the Group's assets pledged for the Group's bill facilities granted and bank and other borrowings are included in notes 25 and 29(a) to the financial statements, respectively.

### **38. COMMITMENTS**

The Group had the following capital commitments at the end of the reporting period:

	2022 HK\$'000	2021 HK\$'000
Contracted, but not provided for:		
Construction in progress	80,032	413,852
Plant and equipment and motor vehicles	401,471	127,184
	481,503	541,036

### **39. RELATED PARTY TRANSACTIONS**

(a) The Group had the following transactions with related parties during the years:

		2022	2021
	Notes	HK\$'000	HK\$'000
Related companies	St. A. M. S. C. S.	28	
Cost of technical services#	(i)	2,545	3,799
Cost of garbage transportation services#	(ii)	- 10	2,222
Service income <sup>#</sup>	(iii)	16,300	16,683
Sale of electric trike vehicles and consumables <sup>#</sup>	(iv)	4,782	2,696
Motor vehicles and equipment leasing#	(v)	2,864	1,579

These related party transactions also constitute continuing connected transactions that are subject to the announcement, reporting and annual review requirements but are exempted from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

#### Notes:

- During the years ended 31 December 2022 and 2021, the Group engaged an associate of BEWG to provide the technical services relating to waste treatments, based on terms mutually agreed between the Group and the related party.
- (ii) The amount represented the cost of service provided for the provision of garbage transportation to a subsidiary of BEWG.
- (iii) The Group entered into an arrangement with a subsidiary of BEWG to provide entrusted operation service for this subsidiary of BEWG.
- (iv) The amount represented income generated from the sale of electric trike vehicles and consumables for the provision of environmental hygiene services to a subsidiary of BEWG.
- (v) The amount represented the leasing cost of motor vehicles and equipment to a subsidiary of BEWG.
- (vi) The Group leased two office buildings from subsidiaries of BEWG with lease terms ranging from 2 to 3 years. The rental fees were RMB160,000 and HK\$60,400 per month throughout the contract periods. The financial impact of the leases was included in right-of-use assets and lease liabilities in the financial statements for the years ended 31 December 2022 and 2021.

31 December 2022

### 39. RELATED PARTY TRANSACTIONS (Continued)

(b) Outstanding balances with related parties:

Other than the balances and transactions detailed in the above and note 24 to the financial statements, the Group did not have other significant related party balances as at the end of the reporting period and related party transactions during the reporting period.

(c) Compensation of key management personnel of the Group:

	2022 HK\$'000	2021 HK\$'000
Short term employee benefits	9,435	10,060
Post-employment benefits	201	113
Total compensation paid to key management personnel	9,636	10,173

Further details of directors' and the chief executive's emoluments are included in note 8 to the financial statements.

### 40. FINANCIAL INSTRUMENTS BY CATEGORY

Except for the equity investment of HK\$5,682,000 (2021: HK\$6,098,000) which is measured at fair value through other comprehensive income, all financial assets and liabilities of the Group as at the end of the reporting period, were measured at amortised cost.

### 41. FAIR VALUE AND FAIR VALUE HIERARCHY OF FINANCIAL INSTRUMENTS

Management has assessed that the carrying amounts of current financial assets and liabilities which are due to be received or settled within one year are reasonable approximation of their respective fair values largely due to the short-term maturities of these instruments, and accordingly, no disclosure of the fair values of these financial instruments is made.

For non-current financial assets and liabilities, in the opinion of the directors of the Company, since their carrying amounts are not significantly different from their respective fair values, no disclosure of the fair values of these financial instruments is made.

31 December 2022

### 42. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's principal financial instruments comprise interest-bearing bank and other borrowings, balances with related companies and cash and cash equivalents. The main purpose of these financial instruments is to raise fund for the Group's operations. The Group has various other financial assets and liabilities such as trade and bills receivables, environmental decommissioning fees receivable, deposits and other receivables, other payables and accruals, trade payables and lease liabilities, which arise directly from its operations.

The main risks arising from the Group's financial instruments are interest rate risk, foreign currency risk, credit risk and liquidity risk. The senior management of the Group reviews and agrees policies for managing each of these risks and they are summarised below.

#### **Interest rate risk**

The Group's exposure to interest rate risk relates principally to the Group's bank loans with floating interest rates. The Group mitigates the risk by monitoring closely the movements in interest rates and reviewing its banking facilities regularly. The Group has not used any interest rate swap to hedge its exposure to interest rate risk.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant, of the Group's profit before tax (through the impact on floating rate borrowings). There is no impact on the Group's equity.

	Increase/ (d (decrease) in basis be	ncrease/ ecrease) in profit efore tax ne Group HK\$'000
For the year ended 31 December 2022

For the year ended 31 December 2021 HK\$	100	(20,370)

31 December 2022

## 42. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

#### Foreign currency risk

Foreign currency risk is the risk that the value of a financial instrument will fluctuate because of changes in foreign exchange rates.

The Group's businesses are mainly carried out by subsidiaries located in Mainland China and the majority of their transactions are conducted in RMB. The Group, therefore, has minimal transactional currency exposure which arises from sales or purchases by an operating unit in currencies other than the unit's functional currency.

Owing to the fact that the presentation currency of these financial statements is the Hong Kong dollar but the functional currency of the Company, the PRC subsidiaries, joint venture and associate is RMB, the Group's statement of financial position can be affected significantly by movements in the RMB/HK\$ exchange rate.

The following table demonstrates the sensitivity at the end of the reporting period to a reasonably possible change in the RMB/HK\$ exchange rate, with all other variables held constant, of the Group's profit before tax arising from RMB denominated financial instruments and the Group's equity.

	Increase/ (decrease) in profit	Increase/ (decrease) in equity HK\$'000
	before tax HK\$'000	
For the year ended 31 December 2022		
If HK\$ strengthens against RMB by 5%	(24,153)	(249,145
If HK\$ weakens against RMB by 5%	24,153	249,145
	Increase/	
	(decrease)	Increase/
	in profit	(decrease)
	before tax	in equity
	HK\$'000	HK\$'000
For the year ended 31 December 2021		1. N. M. N. S.
If HK\$ strengthens against RMB by 5%	(37,744)	(246,861
If HK\$ weakens against RMB by 5%	37,744	246,861

#### **Credit risk**

The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis. Therefore, in the opinion of the directors, the credit risk is not significant.

31 December 2022

## 42. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

#### Maximum exposure and year-end staging as at 31 December 2022 and 2021

Management groups financial instruments on the basis of shared credit risk characteristics, such as instrument type and credit risk ratings for the purpose of determining a significant increase in credit risk and the calculation of impairment. The gross carrying amount of each financial asset in the consolidated statements of financial position represents the Group's maximum exposure to credit risk in relation to its financial assets as at 31 December 2022 and 2021.

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- significant financial difficulty of the debtor
- a breach of contract such as a default or past due event
- it is probable that the debtor will enter bankruptcy or other financial reorganisation

To manage credit risk arising from trade and other receivables, environmental decommissioning fees receivables, receivables under service concession arrangements and contract assets, the credit quality of the debtors is assessed, taking into account their financial position, historical settlement records, past experience and other factors. The Group applies the simplified approach to provide for ECLs prescribed by HKFRS 9, which permits the use of lifetime expected loss provision for all trade receivables, receivables under service concession arrangements and contract assets. In addition, the Group applies the general approach to provide for ECLs prescribes by HKFRS 9 for environmental decommissioning fees receivables and other receivables. The determination of ECLs also incorporates forward-looking information.

The Group has established a policy to perform an assessment as at 31 December 2022 and 2021, of whether a financial instrument's credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the remaining life of the financial instrument. The Group classifies its bills receivable and other receivables into Stage 1 as described below:

Stage 1 When the receivables are first recognised, the Group recognises an allowance based on the 12-month ECL.

Management also makes periodic collective assessments for the receivables as well as individual assessment on the recoverability of the receivables based on historical settlement records, past experience and other factors. The Group classifies the receivables into different stages by risk and continuously monitored their credit risk. Management believes that there was no material credit risk inherent in the Group's outstanding balances as at 31 December 2022 and 2021.

As at 31 December 2022 and 31 December 2021, all pledged deposits and cash and cash equivalents were deposited with creditworthy financial institutions without significant credit risk.

The Group does not provide any guarantees which would expose the Group or the Company to credit risk. Further quantitative disclosures in respect of the Group's exposure to credit risk arising from the financial assets are set out in notes 16, 19, 21, 22 and 23 to the financial statements.

31 December 2022

## 42. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

## Liquidity risk

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank and other borrowings. In addition, banking facilities have been put in place for contingency purposes.

The table below summarises the maturity profile of the Group's financial liabilities as at the end of each of the year, based on the contractual undiscounted payments, is as follows:

#### At 31 December 2022

	Within one year or on demand HK\$'000	In the second year HK\$′000	In the third to fifth years, inclusive HK\$'000	Over five years HK\$′000	Total HK\$′000

31 December 2022

## 42. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Continued)

### **Capital management**

The primary objectives of the Group's capital management are to safeguard the Group's ability to continue as a going concern and to maintain healthy capital ratios in order to support its business and maximise shareholders' value.

The Group manages its capital structure and makes adjustments to it in light of changes in economic conditions and the risk characteristics of the underlying assets. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group is not subject to any externally imposed capital requirements. No changes were made in the objectives, policies or processes for managing capital during the year.

The Group monitors capital using a gearing ratio, which is net debt divided by total equity. Net debt is calculated as interest-bearing bank and other borrowings less cash and cash equivalents. The Group's policy is to maintain a stable gearing ratio. The gearing ratio as at the end of each of the years was as follows:

2022 HK\$'000	2021 HK\$'000
2,807,862 (1,600,971)	2,315,826 (1,688,903)
1,206,891	626,923
4,058,133	4,220,695
29.7%	14.9%
	HK\$'000 2,807,862 (1,600,971) 1,206,891 4,058,133

31 December 2022

### 43. STATEMENT OF FINANCIAL POSITION OF THE COMPANY
