For Immediate Release **13 November 2026**

Beijing Enterprises Urban Resources Group Limited
北控城市資源集團有限公司

(Incorporated in the Cayman Islands with limited liability)
(Stock code: 03718.HK)

(13 November 2026 – Hong Kong) Beijing Enterprises Urban Resources Group Limited (hereinafter referred to as the "**Company**" or "**Group**"; stock code: 03718.HK) is pleased to announce that Beijing Enterprises Urban Environmental Services Group Limited ("**BE Urban Environmental Services PRC**"), a wholly-owned subsidiary of the Company, has recently won the bid for the Integrated Urban and Rural Sanitation Project in Dali County, Weinan City, Shaanxi Province* (陝西省渭南市大荔县城乡环卫一体化服务项目), through a tendering process (the "**Tender**") of the relevant local government of the People's Republic of China (the "**PRC**"). The tender result was published on 12 November 2026.

Under the Tender, the scope of services to be provided by BE Urban Environmental Services PRC includes, but is not limited to, the comprehensive cleaning services for urban roads, parks and squares, back streets and alleys and Tongzhou New Area, as well as town and sub-district roads, township roads, village roads and villages under the jurisdiction of 17 townships (sub-districts); domestic waste collection and transportation in the urban area, and the establishment, operation and maintenance of 94 rural domestic waste collection stations; maintenance of public toilets; development and management of the smart city operation and service platform, provision of intelligent equipment and new energy sanitation vehicles; and emergency support and other environmental hygiene services in Dali County, Weinan City, Shaanxi Province, the PRC. The term of the Tender is three years, with the contract to be entered into on an annual basis, Subject to satisfaction of all renewal conditions, the contract for the subsequent year may be entered into. The estimated total contract value of the Tender is approximately RMB208.08 million, with an estimated annual revenue of approximately RMB69.36 million.

Under the Tender, this project adopts the development principle of "smart-driven and efficiency-first". BE Urban Environmental Services PRC will develop and manage a smart city operation and service platform, and deploy intelligent equipment and new energy sanitation vehicles to drive the transformation and upgrading of sanitation operations from a labour-intensive mode to a digitally intelligent, efficient, green and low-carbon mode.

The Group is principally engaged in the provision of environmental hygiene services, hazardous waste treatment services and waste electrical and electronic equipment treatment services. BE Urban Environmental Services PRC is a company established under the laws of the PRC and is principally engaged in the provision of environmental hygiene services.

The successful award of the Tender marks important progress in the Group's integrated urban and rural sanitation business. It not only demonstrates clients' recognition of and

trust in the Group, but also helps the Group deepen its market presence and enhance brand awareness. The Group will maintain a steady and sound development momentum and consolidate its leading market position in the industry.

The Company wishes to state that the Group has yet to enter into any formal contract in relation to the Tender. The actual total contract value and annual revenue may be different from those stated in this press release as a result of any unexpected changes in the market environment and other conditions. No forecast or prediction of the profits of the Group has been made with regard to the Tender in this press release.
